

Welcome Bulldog supporters and fans!

Our mission, as a booster club, is to provide resources to Coach Rigsby and his staff to keep building both Bulldog junior varsity and varsity football into a premier program for our student athletes. I would like to encourage all parents to be a part of the program to make the football experience special for current and future student athletes.

The Natchez Gridiron Club is a 501(c) (3) Non-profit organization and was established to support the football program. Through our volunteer organization we raise funds, promote school pride, and aide in coordinating special events for the football program.

We have several fundraising events planned for the school year that will take a tremendous amount of work. In October, we will have our highly successful and fun souvenir book. This fundraiser requires a lot of preparation. We also have concession stands for some home games. This is a great opportunity to raise funds for our program, but again, we need volunteers.

We would like to culminate this year's season in a banquet to honor our players, salute our departing seniors, and to also say thanks to our coaches and staff.

You will notice I keep hinting at volunteers. I, need your help. Bulldog Football offers a truly unique and memorable experience for our players, but to make sure the upcoming season is a success, parent help is mandatory. Please find a way to get involved! We need your support.

I look forward to a successful year as we help our football program grow into one of the area's top programs.

Visit the Natchez High School website often to keep up with all the activities of the Natchez Gridiron Club.
