

TOWANDA AREA SCHOOL DISTRICT STUDENTS

NOW HAVE ACCESS TO DRIVER'S EDUCATION AND DRIVER'S TRAINING AND TESTING THROUGH INDEPENDENT CONTRACTORS

Students must complete an online course and behind the wheel drivers training prior to being tested by the contractor.

The online course is available through www.nccdriversed.com. Towanda students will receive a 50% discount off of the \$60 fee by emailing mark@nccdriversed.com to receive a special code prior to enrolling.

The driver's training school and testing services are available through Mac's Driving Academy and may contact Tim McAninch at 570-404-7815 or tmcaninc@gmail.com.

These programs are offered independently by the above contractors and not by the Towanda Area School District.
