## School Accountability Report Card

### Reported Using Data from the 2016-17 School Year

#### Published During 2017-18

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2017-18)

The School Accountability Report Card was established by Proposition 98, an initiative passed by California voters. As you read this Report Card, you will gain a better understanding of Downtown as a school with a record of high achievement, a faculty that is professionally skilled and personally committed to meeting the learning needs of students, and a student body which is enthusiastic and motivated to perform well.

We, the faculty and staff of Downtown School, are dedicated to maximizing learning for all. Our mission statement says: Downtown School is committed to promoting accountable and responsible learners who are empowered in a safe and supportive learning environment. We use the acronym C.A.R.E. to remind us that: We are....Committed, Accountable, Responsible, and Empowered. We envision a school where all students know they are valued for their individuality and are supported to grow in a manner that best reflects their individual strengths and talents. It is our goal to assist each child in becoming a contributing member of a multicultural society by creating an environment that nurtures each child's love of learning, promotes academic excellence, cultivates social consciousness, develops physical strength, and ensures emotional well-being.

Our four main school goals are to:

1. Ensure that all students are learning successfully at high levels.
  2. Ensure that all students are behaving successfully.
  3. Ensure a Safe School Environment.
  4. Ensure a high level of welcoming parent and community involvement.
- All our school programs work in a coordinated way to support achievement of the goals stated above.

**A. Conditions of Learning**

**State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

**Teacher Credentials**

Teachers	School			District
	2015-16	2016-17	2017-18	2017-18
With Full Credential	14	14		
Without Full Credential	0	0		
Teaching Outside Subject Area of Competence (with full credential)	0	0		

**Teacher Misassignments and Vacant Teacher Positions**

Indicator	2015-16	2016-17	2017-18
Misassignments of Teachers of English Learners	0	0	
Total Teacher Misassignments *	0	0	
Vacant Teacher Positions	0	0	

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)**

**Year and month in which data were collected:** September, 2017

Every student is provided with sufficient and standards-aligned textbooks or other instructional materials.

**School Facility Conditions and Planned Improvements (Most Recent Year)**

Downtown School was built in 1997. It sits on 1.96 acres of which 1.26 acres is playground. This school has 14 classrooms, a multi-purpose, music room, computer lab and library. The campus has a staff lounge.

The custodial staff adheres to a weekly cleaning schedule that includes classrooms, restrooms, cafeteria and kitchen areas.

The District’s Mobile Maintenance Team visits the school site at least twice a year. Maintenance emergencies are addressed immediately. District personnel maintain the grounds at least once every two weeks.

This site also is maintained to ensure a clean, safe, and functional facility as determined pursuant to a Facility Inspection Tool developed by the State of California Office of Public School Construction.

**School Facility Good Repair Status (Most Recent Year)**

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
<b>English Language Arts/Literacy (grades 3-8 and 11)</b>	78	78	31	34	48	48
<b>Mathematics (grades 3-8 and 11)</b>	62	63	21	23	36	37

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

### CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2016-17)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
<b>All Students</b>	191	189	98.95	78.31
<b>Male</b>	74	73	98.65	67.12

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
Female	117	116	99.15	85.34
Black or African American	16	15	93.75	60
Asian	--	--	--	--
Filipino	--	--	--	--
Hispanic or Latino	85	85	100	72.94
White	78	77	98.72	85.71
Two or More Races	--	--	--	--
Socioeconomically Disadvantaged	41	40	97.56	75
English Learners	--	--	--	--
Students with Disabilities	13	13	100	38.46

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

#### CAASPP Test Results in Mathematics by Student Group Grades Three through Eight and Grade Eleven (School Year 2016-17)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	191	189	98.95	62.96
Male	74	73	98.65	65.75
Female	117	116	99.15	61.21
Black or African American	16	15	93.75	53.33
Asian	--	--	--	--
Filipino	--	--	--	--
Hispanic or Latino	85	85	100	60

Socioeconomically Disadvantaged	41	40	97.56	57.5
English Learners	--	--	--	--
Students with Disabilities	13	13	100	30.77

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students  
Grades Five, Eight, and Ten**

Subject	Percent of Students Scoring at Proficient or Advanced					
	School		District		State	
	2014-15	2015-16	2014-15	2015-16	2014-15	2015-16
<b>Science (grades 5, 8, and 10)</b>	83	56	32	33	56	54

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

**State Priority: Other Pupil Outcomes**

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

**California Physical Fitness Test Results (School Year 2016-17)**

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
<b>5</b>	25.7	31.4	37.1
<b>7</b>	17.2	34.5	24.1

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**C. Engagement**

**State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

**Opportunities for Parental Involvement (School Year 2017-18)**

Downtown School's Family & Community Engagement (F.A.C.E.) liaison supports involvement in our school in many different avenues. The FACE Liaison recruits, guides, and promotes parents, family and community members to be involved in the multitude of program opportunities at our school. We have many ways for parents and community members to be an integral part of our educational programs and we have a large cadre of faithful volunteers. Parents, grandparents, and community members volunteer regularly in the classroom, as part of the Parent Brigade Car Valet program, coaching academic and athletic student teams, in PTA fund raising events and in numerous celebrations. As part of the Downtown business community, we encourage professionals and other community volunteers to help on campus. Downtown School takes pride in saluting America's Veterans during our annual celebration inviting vets related to our students, and from the community in general, to our large, colorful, and honoring event. The Community Partners in Education is another opportunity for us to connect with neighboring businesses and organizations to enhance the educational experience for students and adults alike. We are also connected to many community volunteers through the KCSOS Community Reading Project, offering targeted reading foundational support to second graders. Many volunteer workers come to help in the classroom wherever needed. We truly appreciate all the help and involvement from our volunteers and recognize them annually at Volunteer Appreciation events. As an additional outreach to our downtown community, walking field trips to many of the city offices, museums, and service centers are also scheduled to enrich student learning and make a strong connection to our downtown city area.

We promote effective communication through our web site, Remind text app, monthly e-newsletters, flyers regarding upcoming events, global e-mails to all parents, and teacher e-mails regarding student activities and progress to parents. We recognize that parents are a critical aspect of the educational process. They provide input in school programs, help review and monitor school improvement initiatives, and enhance our program through involvement in the PTA, SSC, the Just Be Committee, sports coaches, parent advisory committees, and as classroom volunteers. Parents can call our school office at (661) 631-5920 to access information concerning participation opportunities, speak to our FACE liaison, or email [klassens@bcisd.com](mailto:klassens@bcisd.com).

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### Suspensions and Expulsions

Rate	School			District			State		
	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17
<b>Suspensions</b>	1.9	1.0	0.6	3.3	3.3	2.1	3.8	3.7	3.6
<b>Expulsions</b>	0.0	0.0	0.0	0.1	0.1	0.1	0.1	0.1	0.1

#### School Safety Plan (School Year 2017-18)

Downtown established its Comprehensive School Safety Plan in 1998. A law enforcement officer specializing in safety provided direction in the establishment of the School Safety Plan. Downtown’s School Safety Plan is current and is updated annually. Key elements of Downtown’s School Safety Plan include the following: (a) routine and emergency disaster procedures; (b) suspension, and expulsion procedures; (c) teacher notification of pupils with a specific discipline history; (d) child abuse reporting procedures, (e) the district’s sexual harassment policy; (f) school crime data; (g) the student dress code; (h) safe entrance and exit procedures; (i) the civil defense and disaster plan; and (j) discipline rules and procedures. Our overall goal is to maintain a safe and orderly school environment conducive to learning.

### D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

**Professional Development (Most Recent Three Years)**

Professional development is designed to provide continuous learning opportunities for administrators, teachers, and classified personnel. Training opportunities affirm the basic philosophy of education that learning is a lifelong process that contributes to the well-being of the students, teachers, administrators, and community. Professional Development is an essential component of effective instruction and student learning.

All training revolves around identified needs of students and adults for the purpose of the improvement of instruction and increasing content knowledge. Central to all training are student achievement data, district focus areas, the Common Core State Standards, the state adopted standards-based instructional materials, and strategies to effectively teach the academic content standards to all students.

The district created professional development based on the Common Core State Standards for teachers and administrators. The modules included a Common Core overview, Mathematical Practices, Cross-Curricular/Evidence Based Writing, Text Complexity/Academic Vocabulary and the new ELD standards for California. We also provided extensive professional development for Professional Learning Communities through the use of Guiding Coalitions to school site and district teams. On-site coaching and support is provided by academic coaches for reading/language arts and mathematics. The district provides time and resources for collaboration, planning, and professional development. Additionally, we provided professional development on Positive School-wide Behavior Intervention and Support to school and district teams.

Teachers new to the District received four days of professional development prior to the beginning of the school year focused on orientation to District and school site policies and services, Common Core State Standards, classroom management, curriculum and pacing, and setting up the classroom. Teachers in their second year with the District received two days of professional development prior to the beginning of the school year focused on best practices for improving student achievement.

New teachers with California preliminary credentials received professional development through the Beginning Teacher Support and Assessment (BTSA) program. The focus of training was in the Formative Assessment for California Teachers (FACT), California Standards for the Teaching Profession (CSTP), meeting the California Induction standards, and the California Academic Content Standards. Each beginning teacher was assigned a veteran teacher who served as a support provider. The support providers received on-going professional development in FACT, coaching strategies, and instructional techniques. Professional development was provided through individual mentoring, monthly meetings, and after-school workshops.

Intern teachers received professional development at monthly meetings focusing on the initial teaching skills of the CSTP including classroom management, lesson planning, assessment, and establishing a climate that is conducive to student achievement. Each Intern was assigned a support provider that provided day-to-day support in these areas as well as advisement toward meeting credential requirements. Support providers received monthly professional development in meeting the needs of Intern teachers. Interns also received coursework and supervision from universities partnered with BCSD to provide the Intern Program.
