INTERNAL OPERATIONS

SUBJECT: BOARD SELF-EVALUATION

The Board shall review the effectiveness of its internal operations through a periodic self-evaluation, which will occur at the suggestion of the Board President or the Board of Education. The Superintendent and others who work regularly with the Board may be asked to participate in this review and to suggest ways by which the Board can improve its functioning as a legislative body.

The Board shall set forth the standards by which it will evaluate itself, taking into account the following:

1. the district's needs and the Board's ability to meet such needs;
2. the district's goals for its instructional programs;
3. the Board's relationship with the Superintendent and district staff;
4. the Board's relationship with its supervisory district (BOCES); and
5. the community's perception of Board members as educational leaders.

All decisions of the Board are to be supported by as much objective evidence as possible.
