Boys'	Baseball **	There are two tryouts for baseball. Both Tryouts for baseball is a 2 week process which occurs two weeks prior to Thanksgiving break and the first ten days of school for baseball "only.". The first is during the first ten days of school and with baseball "only" or the students in the baseball class period for the fall semester. After our tryout evaluations, we will cut and have those students change their schedule going forward with the semester. They will be able to tryout the following school year. During these two weeks with both tryouts, players from 9th grade to 12th grade will be evaluated by the baseball staff. After the ten days and Thanksgiving break, Coach Yoder will meet with every individual to talk about their skills and whether or not they made the team. They will begin with seniors down to freshman by alphabetical order. Baseball only will have to go through both tryouts.	The evaluation process includes: Hitting (2 categories)-consistency with swing, bat exit speed, fundamentals, balance-(we video each player and watch their swings and talk to each one. Does cage work transfer to the field? We radar and use a Zepp system to provide us with additional information. Speed-Home to first, 40 yd. dash, 60 yd. dash, agility drill. Throwing-Velocity by position, accuracy, pop time by position, mechanics. Fielding (2 categories)-Balance, range, fundamentals, footwork, mechanics. Intangibles-where does he fit in program by position, lefty/righty switch, does he know the game and where to be, versatile player? We watch this as a staff through different drills and scrimmages. Each category is based out of 0-5 scale and there are a total of 7 categories.	You should not take this class for PE credit, baseball players only. After school practice beginning Spring Semester.	End of January - June	Travis Yoder	yodert@hpsid.org
Girls'	Basketball **	9/JV/V try-outs are the first three weeks of school. Practices begin the second day of school. All practices consist of fundamental drills as warm-up and move on to more complex drills that are fundamentally focused. As the year progresses the drills focus on specific offensive and defensive structures all while keeping a strong fundamental base.	Strong work ethic, positive attitude, and being coachable are all things needed to be successful in basketball. If you can do these three things every day then you can get better at the items listed (fundamentals of the game): Ball Handling, Lay-ups, Shooting Form, Defensive Stance, Passing Form, Court Awareness, Terminology, Team Play, Communication. All of these fundamentals will be evaluated by the coaching staff in order to determine the best position and team for each athlete.	All girls interested in playing basketball in the 2018-2019 school year will be scheduled for 4th period athletics. 4th period is from 11:01-11:50. It is recommended that students in 4th period request 5th period lunch, this will allow the girls to participate in the full duration of the class. If girls are scheduled for a class during 5th period they will be released at 11:40 so they may change and get ready for their next class. For multi sport athletes please refer to "Lady Scots Try Out Basketball Information" on the HPISD.org website. Go to Departments, Athletics, Schedules, Basketball.	Mid-October - March (1st weekend)	Nicole Villarreal	villarB@hpsid.org
Boys'	Basketball **	Tryouts for incoming 9th grade boys will be the first two weeks of school. Cuts will be made on Friday of the second week. 9th graders who are in a fall sport will tryout the second week of November. Final rosters for 9th grade teams will be second week of November. JV/V try-outs/teams finalized by mid-September except for those players trying out for football. Players should be in off-season in the fall unless playing another sport. Final team selections will be in early November. Any additional players added will be up to the discretion of the coaching staff.	Skill level in passing, dribbling, shooting, defense & rebounding. Athletic ability, attitude, coach ability, unselfishness, grades, position, & grade are also determining factors in selection.	Must be in athletic period all year.
