

To Our Bayfield Families:

Yesterday, Tuesday May 30, marked the start of our construction projects at Bayfield Elementary School and Bayfield Middle School. You will notice new parent drop-off areas when you return to school in August. Work has already begun on the new grades 3-5 Intermediate School located just south of Bayfield Middle School.

The Bayfield School District 10Jt-R hereby extends its sincere thanks and appreciation to the Los Pinos Ditch Company for being helpful and cooperative in addressing ditch issues related to the new school development in a manner that ensures the safety of school residents and school property, helps facilitate the development of the new school, and ensures the continued delivery of water to Ditch shareholders.

Have a wonderful summer and thank you for your support of our District!!

Troy Zabel, Superintendent
Amy Lyons, Director of Finance
