

Vallivue School District 139

This district has the discretion to operate its own student transportation service or to contract with an independent entity for such services.

In the event this district elects to contract for student transportation services, all such contracts entered into will be in writing on a form approved by the state superintendent of public instruction. No contract will be for a duration in excess of five (5) years. However, for one (1) time only, the district may renew a contract with the current contractor, if the board of trustees, after renegotiation with the contractor, determines that the terms are satisfactory to the district. The board of trustees may renew the contract for a term not to exceed an additional five (5) years. The board may not renew any student transportation contract unless the bidding notice contained a substantially conforming summary of Idaho Code Section 33-1510.

This district will advertise, bid, and contract for all bus transportation service routes at a single time, and the contract will be awarded to the lowest responsible bidder or bidders meeting the specifications. This district reserves the right to accept, reject, or select any portion of any or all bids and to waive any technicality.

This district will twice give public notice, as required by Idaho Code Section 33-402(g), regarding its request for transportation service bids. The public notice will be made not less than four (4) weeks before the date of opening bids.
