

Introducing the Porterville High School Boutique

The PHS Boutique is a school-run, non-profit organization that accepts clothing donations in order to provide clothing to students in need. We are currently in need of formal attire (gowns, tuxes, ties, and various garments) for students to access for Winter Ball and Prom. We are also grateful for all business attire donations so that students can feel confident when interviewing for jobs and internships, and so students can participate in the school's monthly "Dress for Success" event.
