

## **INFORMAL BID PROCESS**

### **California Uniform Public Construction Cost Accounting Act**

The Gustine Unified School District ("GUSD") adopted Resolution No. 2013/14-03, Resolution Adopting Informal Bidding Procedures Pursuant to the Uniform Public Construction Cost Accounting Act, approving the GUSD electing to become subject to the Uniform Public Construction Cost Accounting Act. These informal bidding procedures allow Public Works construction projects, as defined in the Public Contract Code, meeting specific criteria for cost (currently less than \$175,000) to be performed by contract acquired by informal bidding procedures.

### **Procedures for Establishment and Maintenance of List of Qualified Contractors**

During November of each year, the GUSD shall mail, e-mail or fax as applicable a notice and application to all construction trade journals inviting all license contractors to submit the name of their firm for inclusion on the GUSD's list of qualified bidders for the year. The application is available on the GUSD's website at <http://www.gustineusd.org>.

The application shall require the contractor to provide the name and address to which a Notice to Contractors or Proposal should be mailed, a phone number at which the contractor may be reached, the type of work in which the contractor is interested in and currently licensed to do (earthwork, pipelines, electrical, painting, general building etc.) together with the class of contractor's license(s) held and contractor license number.

The GUSD may create a new contractor's list starting January 1<sup>st</sup> of each year. The GUSD may include any contractor's names they so desire on the list, but the list must include at a minimum all contractors who have properly provided the GUSD with the information required as stated above, either during the calendar year in which the list is valid or during November or December of the previous year. A contractor may have his firm added to the GUSD's contractors list at any time by providing the required information on the Contractor's Pre-Qualification Application and submitting it to:
