2015

Congratulations to the United High School Class of 2015!

Superintendent's Message

Congratulations to the Class of 2015! Remember that you have left your coursework and teachers here at United, but you have built many friendships and memories that will last a lifetime. For the Class of 2015, you have "left the building," but you have also left behind a part of the United Lion legacy, like so many others before you.

United Lions demonstrate their commitment, dedication, and knowledge within and outside of their communities. Things learned while in school translate to a larger world upon your graduation. It is up to you to share what you have learned with the others around you. Share your knowledge in whatever you do.

Soon, many other Lions will return to school to continue in their quest for knowledge. For all of those who are returning to the Elementary and Junior/Senior High

Schools, welcome back. Some other Lions (some Little and some not so Little) will be just starting their careers with us. For those of you who are just starting your journey with us, we welcome you with open arms, too.

For all of you who continue to be involved in the United School District, we thank you for your commitment, dedication, and knowledge. Without your support, we would not be the District that we are.

To those of you within the United community, we are grateful and appreciative.

To our students, we wish you a wonderfully, successful 2015-2016 school year.

And, for those of you who are former students, we hope to see you back again in the near future. Remember -- Once a Lion, Always a Lion!

--Dr. Barbara Parkins
