

Doubting Thomas

The topic I chose for my piece is meaningful to me because the story behind Doubting Thomas is interesting. Thomas would not believe Jesus had risen from the dead unless he saw or felt the wounds of Jesus. Jesus appeared to him and as the story goes on, Thomas eventually believes. This goes to show how powerful Jesus is. He turned those who didn't believe in God and showed them God's work. Thomas eventually became a disciple.

St. Thomas is also one of my favorite saints.
