Referendum Information is Located on our Website-[Click Here](#)

The District 100 Board of Education approved a referendum for the April 4, 2017 ballot asking residents for an increase to the limiting tax rate. The referendum will bring an additional \$2 million to the district and would increase taxes approximately \$160 per year per \$100,000 of the market value of a home with no homeowner exemptions

Official Ballot Question

Shall the limiting rate under the Property Tax Extension Limitation Law for Berwyn South School District Number 100, Cook County, Illinois be increased by an additional amount equal to 0.60% above the limiting rate for levy year 2015 for any purpose of said School District and be equal to 4.195% of the equalized assessed value of the taxable property therein for levy year 2017?

- (1) The approximate amount of taxes extendable at the most recently extended limiting rate is \$13,331,908 and the approximate amount of taxes extendable if the proposition is approved is \$15,556,984.
- (2) For the 2017 levy year the approximate amount of the additional tax extendable against property containing a single family residence and having a fair market value at the time of the referendum of \$100,000 is estimated to be \$160.11.**
- (3) If the proposition is approved, the aggregate extension for 2017 will be determined by the limiting rate set forth in the proposition, rather than the otherwise applicable limiting rate calculated under the provisions of the Property Tax Extension Limitation Law (commonly known as the Property Tax Cap Law).

If it passes...

How will District 100 use the increased revenue from the referendum?

A \$2 million referendum will allow the district to improve educational programs, retain quality staff, continue to offer after school sports and clubs, maintain preschool programs, and begin to provide a more financially stable environment for the future.

¿Cómo utilizará el Distrito 100 el aumento de ingresos provenientes del referéndum?

Un referéndum de \$2 millones permitirá al distrito mejorar programas educativos, retener personal de calidad, seguir ofreciendo deportes y clubes después de escuela, mantener programas preescolares, y comenzar a proporcionar una situación financiera más estable para el futuro.

If it doesn't pass...

What if the referendum does not pass?

District 100 will need to make budget cuts for the 2017-2018 school year.

Potential cuts include:

- Eliminate after school clubs & sports
- Eliminate Fine Arts programs
- Increase class sizes
- Reduce staff
- Eliminate community preschool
- Increase fees

¿Qué pasa si no pasa el referéndum?

El Distrito 100 tendrá que hacer recortes de presupuesto para el año escolar 2017-2018. Los cortes potenciales incluyen:

- Eliminar deportes y clubes después de escuela.
- Eliminar el programa de Arte
- Incrementar el tamaño de las clases
- Reducción de personal
- Eliminar el preescolar de la comunidad
- Aumento de tarifas
