**Orion's University** is what college would look like if it was designed for kids. When the bell rings, your child heads down the hall to cool enrichment activities like *Robotics by Lego*,<sup>®</sup> *Speed and Agility Camp*, and *Jr. Chef*. Don't be surprised if your little scholar groans when he has to miss a day. Orion's University is often a child's favorite part of the day.

SAVINGS PLANS				
1 day	2 days	3 days	4 days	5 days
