## Megan's Law Background Check To be completed by ESL Student

To provide a safe and protective environment for students, the San Jacinto Unified School District is using the Megan's Law database to complete background checks on any who wish to participate in school sponsored activities. This database identifies adults who are registered sex offenders.

Because you are interested in participating in activities held on school site grounds during the regular school day, you are subject to a background check utilizing the Megan's Law database.

Thank you for your cooperation in increasing the district's ability to protect our students' well being.
