Invest in Your Child A FUNDRAISING CAMPAIGN FOR MEADS MILL

One of the most important commitments that many of us make to our children is their education. In Michigan, the majority of that cost is funded by a per-pupil foundation amount determined by the State of Michigan each year.

The Meads Mill PTA would like to continue covering items and events that are not able to be covered by the Meads Mill operating budget. That is why we are asking for your participation in our fundraising campaign, **Invest in Your Child.** In lieu of "door-to-door" sales, we are asking for a \$40 donation per child or an \$80 donation per family. Your donation will cover such things as:

- -School Planners and curriculum-enhancing materials
- -Physical enhancements for the school (such as signs, copiers, projectors, and laminators)
- -School assemblies (JES)
- -PBIS programs and celebrations

Non PTA members will not have access to the PTA directory or the Student Directory. You must join the PTA to access directories.

THANK YOU FOR YOUR SUPPORT!

Sincerely,

Holly Jones Mr. O'Neill PTA President Principal

Yes, I am interested in helping Meads Mill by Participating in the Invest In Your Child campaign. I would like to make a tax-deductible contribution of \$
