School Description and Mission Statement

This section provides information about the schools goals and programs.

Tulita Elementary School is a learning community of students, parents, teachers, support staff, and administrators designed by and for ALL OF US (Action + Learning +Leadership x Unity of vision = Success for all students).

When you visit Tulita Elementary you will see that the energy of the staff, students, and parents is contagious. The climate of the school is maintained daily through our joy in learning, caring for others, and respect for hard work. Tulita is the center of pride for 491 students in transitional kindergarten through 5th grade, as well as for our staff, parents, and extended community members, many of whom attended the school themselves since its inception in 1955. Our school demographics reflect those of our surrounding community. Our student body is 59% White (not Hispanic), 19% Hispanic, 1.6% African American, 11% Asian, and 8.7% two or more races, and .7% other nationalities. In addition to English, there are several other languages spoken by Tulita students. We are located just blocks from the ocean, nestled in a mostly single family neighborhood. It is this distinctive combination of school community and rich history that makes Tulita a place for ALL of US.

One of eight elementary schools in Redondo Beach Unified, Tulita has a unity of vision to assure success for every student in all aspects of their lives. In 2007 we were awarded The SPARC (Support Personnel Accountability Report Card) academy award for the outstanding achievement of our Student Support Personnel Team. The SPARC is awarded to schools demonstrating significant improvement in student achievement and school climate as a result of collaborative leadership, community partnerships, and a focus on health and wellness. Through collaborative leadership our stakeholders carry out an action plan that actively engages all students in a high quality educational program that is aligned to state curriculum standards. To recognize the quality of Tulita's educational and extracurricular programs in combination with an exceptional spirit of community, the school was selected as a California Distinguished School in 2000 and again in 2008. Through our focus on student achievement, and rigorous goal setting, we have been able to increase our API score 46 points since 2008 up to 912. Tulita also earned the California Business for Educational Excellence award in 2009, 2010, 2011, and 2012. Tulita earned the Most Active award from Blue Zones Project in 2013 for actively participating in Walk to School Week. Our school is also a Blue Zones Designated Worksite for implementing healthy evidence-based options for employee

The strength of our educational program draws from all members of the school community who share in our vision. Parents lead several curriculum enrichment and academic support programs such as Hands on Art, Young Writers' Conference, and Hands on Science Week. Community members support and participate in our Multicultural Family Night, Tulita Holiday Boutique, Fun Run, Science Week, Kids Helping Kids Charity Event, and our Western Night Carnival. With support from

our Parent Teacher Association and school grants from the Redondo Beach Educational Foundation, each of our classrooms was recently equipped with instructional technology including a document camera, projector, and SMART Board. The PTA also purchased 35 brand new computers for our computer lab. Our teacher leadership team and School Site Council provide direction to the principal on the budget and other critical areas of our school operation. Students participate in the Safe School Ambassadors program to reduce bullying and peer conflict on campus as well as planning school events such as community service projects. The principal and parent coordinator run a School Wellness Council as well as a student wellness council. We also have parent coordinators for Walking School Bus and Running Club. Our campus is alive with over 250 PTA members and 160 parent volunteers working in our 21 classrooms. The Tulita Child Development Center offers before and after school child care as well as an accredited pre-school. After school fee-for-service classes include chess, drawing, sculpting, basketball, musical keyboarding, and karate. The city also sponsors a Parks and Recreation after school program on our site. **We encourage you to visit and experience a day with ALL of US!**

Opportunities for Parental Involvement

This section provides information about opportunities for parents to become involved with school activities.

A large part of our success stems from our relationship with parents and community members. Decision making is shared among parents and staff in the School Site Council and PTA Board as well as through a variety of volunteer leadership opportunities open to parents. In addition to the enormous role parent volunteers play in our communication system, parents are given leadership roles for curriculum and enrichment support in the following ways:

Science Week and Hands on Science: A small committee and several parent volunteers coordinate a special week of Science at Tulita. During Science Week, special guests including science professionals and talented science educators visit Tulita to engage students in special science assemblies and class sessions to enhance Tulita’s science education. A team of parent volunteers also coordinate hands-on science lessons to complement the core curriculum.

Family Science Night: RBEF sponsors a family science night for Tulita. PTA also supports this event by helping to coordinate the Science Fair.

Walking School Bus: In coordination with Beach Cities Health District, a parent coordinates several Walking School Bus routes. Walking School Bus Volunteers walk the ‘bus’ of students along designated routes, picking up registered children along the route and safely walking with the children to school. We have three Walking School Bus routes running twice a week.

Hands on Art: Completely run by parent volunteers, this enrichment program offers art lessons to all students based on the works of famous artists.

Book Fairs: Two book fairs per year, organized by parent volunteers not only promote reading, but writing as well.

Running Club: Parents coordinate Running Club three days a week at Tulita. Students and parents are invited to come to the playground from 7:30-8am on Tuesday, Thursday and Friday to walk, jog or run. Students earn sticks and we keep track of their mileage. They earn awards and medals. The school also encourages the Tulita community to sign up for local runs in the community.

Career Day Another volunteer opportunity for parents is our school--wide career day where parents present information and demonstrations of what they do for a living.

Battle of the Books: 3rd-5th grade parents coordinate this reading competition program for Tulita upper grade students. PTA also supports Battle of the Books in terms of purchasing materials and providing hospitality.

Other: Parents are encouraged to serve as classroom volunteers, and to participate in many other school wide events such as the Western Night carnival, Holiday Boutique, Family Nights, and the Tulita Fun Run.

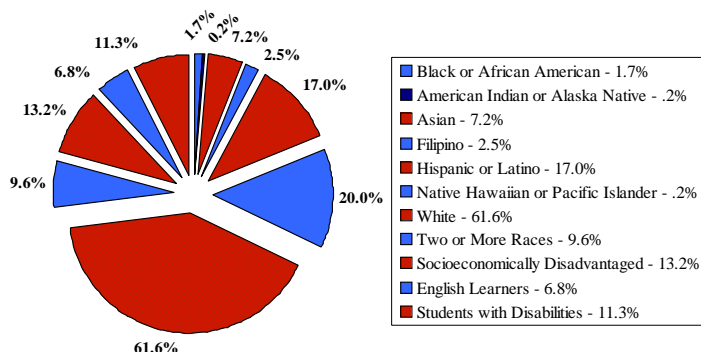

Average Class Size

Student Enrollment by Grade Level (2012-13)

Kdg	1 st	2 nd	3 rd	4 th	5 th	Total
105	80	79	65	63	79	471

Student Enrollment by Subgroup (2012-13)

Suspensions and Expulsions

This table displays the rate of suspensions and expulsions at the school and district levels for the most recent three-year period.

RATE	School			District		
	2010-11	2011-12	2012-13	2010-11	2011-12	2012-13
Suspensions	.24	.4	.42	4.12	2.7	2.8
Expulsions	.00	.00	0.0	.11	.08	.07

School Safety Plan

Tulita has a Comprehensive School Safety Plan that includes Emergency Response procedures. Each Team Leader has a copy and the plan is reviewed annually with all staff. A full disaster drill (simulated earthquake) is held each fall and all staff members and students participate. This plan which is updated annually also contains available district and outside agency resources, emergency disaster procedures and information on Standardized Emergency Management System (SEMS). A copy is available for public viewing in the school office.

School Facility Conditions and Planned Improvements

Tulita Elementary School was completely renovated in 2005, including the addition of a new school office and computer lab. All classrooms were upgraded with new wall surfaces, carpets, plumbing, electrical, cupboards, and individual heaters. Each classroom has five ports for internet access. All restrooms were upgraded with new tile, flooring, plumbing, lighting, and fixtures. New lawns and plants were installed and eighteen trees were planted on Earth Day 2007. We are serviced by two full time custodians. Our campus was again renovated in 2011 including roof resurfacing, playground resurfacing, new cafeteria floors, an upgraded classroom for art and science, and all new classroom windows. For the 2012 and 2013 Sharefest projects, the Tulita community painted murals on the multipurpose room wall and several classroom walls. In 2012-13 a high school Scout troop repainted the handball walls. In 2013 the marquee area was replanted and grass was added. The Beach Cities Livewell docents (parent volunteers) maintain the Tulita garden. In 2014 the Tulita parking lots was repainted and a cross walk was added. In 2013-14 wireless access points and other technology hardware is being updated. Tulita is also having Solar panels installed on the field area.

Class Size Distribution

Yr.	Grade Level	Number of Classes		
		1-20	21-32	33+
2010-11	K		4	
	1		2	
	2	3		
	3	1	2	
	4	1		2
2011-12	K	1	4	
	1		3	
	2		3	
	3		2	
	4		3	
2012-13	K		4

Overall Facility Rating (School Year 2012-13)	Exemplary
--	------------------

TEACHERS

Teacher Credentials

This table displays the number of teachers assigned to the school with a full credential, without a full credential, and those teaching outside of their subject area of competence. Detailed information can be found at the CDE Web site at <http://dq.cde.ca.gov/dataquest/>

Teachers	School			District 2013-14
	2010-11	2011-12	2012-13	
With Full Credential	20	21	20	376
Without Full Credential	0	0	0	0
Teaching Outside Subject Area of Competence	0	0	0	0

Teacher Misassignments and Vacant Teacher Positions

This table displays the number of teacher misassignments (teachers assigned without proper legal authorization) and the number of vacant teacher positions (not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester). Note: Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Indicator	2011-12	2012-13	2013-14
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.
 *Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Core Academic Classes Taught by Highly Qualified Teachers (School Year 2012-13)

This table displays the % of classes in core academic subjects taught by No Child Left Behind (NCLB) compliant and non-compliant teachers at the school, at all schools in the district, at high-poverty schools in the district, and at low-poverty schools in the district. More information on teacher qualifications required under NCLB can be found at the CDE Web site at <http://www.cde.ca.gov/nclb/sr/tq/>

Location of Classes	Percent of Classes In Core Academic Subjects	
	Taught by NCLB Compliant Teachers	Taught by Non-NCLB Compliant Teachers
This School	100%	0%
All Schools in District	100%	0%
High-Poverty Schools in District	100%	0%
Low-Poverty Schools in District	100%	0%

Note: High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39 percent or less in the free and reduced price meals program.

Support Staff (2012-13)

The following is a list of support staff their fulltime equivalent. The average number of students per Academic Counselor is 491.

Academic Counselor	.5
Librarian	.75
Psychologist	.5
Social Worker	
Nurse	
Health Aide	1
Speech/Language/ Hearing Specialist	1
Resource Specialist (non-teaching)	

Professional Development

This section provides information about the program for training the school's teachers and other professional staff.

Our systemic professional development is based on a review of assessment data for areas of need, Single School Plan (SSP) goals, and RBUSD goals for improving student achievement. Our plan is centered on our implementation of rigorous academic standards, curriculum, instruction and academic support, and assessment and accountability. Our student performance data-driven SSP goals and district goals based on student achievement needs provide the basis for identification of teacher needs for professional development and collaboration time. For example, based on a review of

student assessment results from the CST, Houghton-Mifflin language arts theme and summative tests, RBUSD pre-and post math tests, and assessments such as the Developmental Reading Assessment (DRA), we identify areas for professional development. We currently are focused on professional development to support student achievement in English Language Arts Common Core State Standards, specifically in the area of Writing. Based on our own needs assessment, SSP goals, and identified RBUSD goals, professional development needs are identified and training is scheduled by the Tulita Leadership Team and district staff. Teachers have attended training in the use of Illuminate, a new data management system, to track student achievement of standards and using Common Core assessments to improve standards-based student learning.

How do we ensure that all staff receives research-based professional development and collaboration time? On-site training, district workshops, educator conferences, teacher mentors, RBUSD new teacher orientation, Beginning Teacher Support and Assessment (BTSA), regularly scheduled minimum days, and weekly collaboration for grade level teams, are some of the opportunities provided. Presenters include district staff, professionals/experts, classified staff, teachers, and our principal. The site council approves the use of funds for planning/collaboration days for grade level teams. District sponsored training frequently uses a trainer of trainers model. For example, Tulita teachers and principal have been trained and serve as mentors/coaches in the following areas in order to improve student performance.

- Houghton Mifflin Mathematics
- Houghton Mifflin Language Arts
- The Six-Trait Writing program and Writers' Workshop
- Illuminate data management system
- Response to Intervention (RTI)
- Evaluation and disaggregation of CST student test data to determine areas of relative weakness
- Differentiating instruction to meet the needs of all students
- Using student test results from assessments such as the DRA and BRI to drive curriculum and instruction
- Using our Tulita Math Wizards test to improve student achievement of basic math facts
- Common Core State Standards
- SMART boards
- Google chromebooks

To facilitate achievement of district goals, our school district funds stipends, provides training for, and meets regularly with designated English Language site specialist, Lead Instructional Technology Trainer, and Gifted and Talented Education (GATE). Our GATE Site Specialist has attended the annual conference of the California Association for the Gifted and purchased materials to share with all staff. Tulita Site Specialists provide ongoing professional development and coaching for our staff in:

- use of classroom websites for home-school communication
- use of Illuminate to manage and track student data on achievement of state standards and to create and grade standards-based tests that identify student achievement of specific academic standards
- creation of and implementation of lesson plans to facilitate EL achievement of academic standards
- differentiating instruction for GATE students

In 2013-14 the district is funding 2 credentialed Physical Education instructors who teach PE once a week to each grade level. During the PE lesson, teachers have a one hour collaboration block with each other and the principal. The focus is on Common Core State Standards, specifically English Language Arts. The teachers are planning lessons, teaching, collecting student work and assessments, analyzing the data and reflecting on the process. The principal facilitates the cycle of inquiry, along with support from a consulting group, the Talking Teaching Network. This consulting group is providing district-wide professional development in Common Core ELA and Math. A team of teachers from each site attend a training once a month and then deliver the professional development back at the school site.

The Beach Cities Health District, a community health and wellness agency, funds the Moving Children and LiveWell programs to support nutrition education and garden education, coordinators work with site principals to complete the Alliance for Healthier Generation surveys and applications for recognition, and also supports Walking School Bus.

New teachers are provided additional support through the two-year BTSA Induction program. BTSA provides new teachers a confidential system of support, guidance, and mentorship by veteran teachers. The mentor teacher provides support for the new teacher in the identification and achievement of professional development goals that mirror our school's focus on student achievement, and build content and instructional knowledge to support their individual development via district wide grade-level meetings, colleague collaboration, internet research, and continuing education.

CURRICULUM AND INSTRUCTIONAL MATERIALS

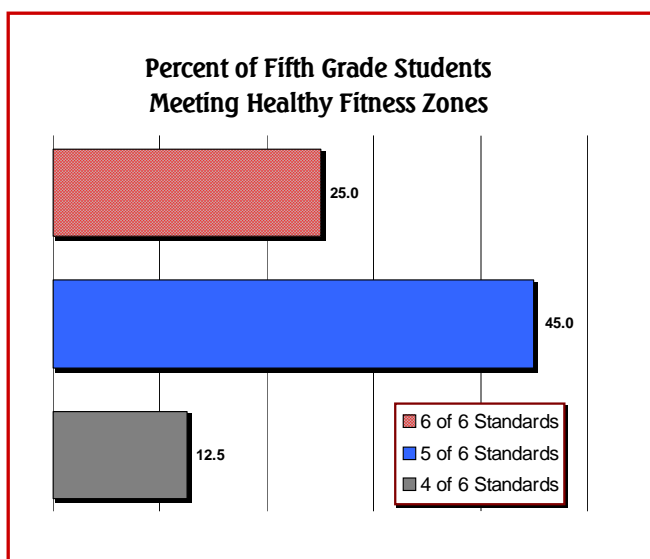

Quality, Currency, and Availability of Textbooks and Instructional Materials (2013-14)

This table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school, and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials. This information was received and approved by the Board of Education on September 24, 2013.

Core Curriculum Area	Quality, Currency, and Availability of Textbooks and Instructional Materials	% of Pupils Who Lack Their Own Assigned Textbooks & Instructional Materials
Reading/Language Arts	K-5 Houghton Mifflin Reading	0%
Mathematics	K-5 Houghton Mifflin Math	0%
Science	K-5 Houghton Mifflin Science	0%
History-Social Science	K-5 Harcourt Social Studies	0%

California Physical Fitness Test Results (School Year 2012-13)

The California Physical Fitness Test is administered to students in grades five, seven, and nine only. This table displays by grade level the percent of students meeting fitness standards for the most recent testing period. Detailed information regarding this test, and comparisons of a school's test results to the district and state levels, may be found on the CDE [Physical Fitness Testing \(PFT\) Web page](#).

STUDENT PERFORMANCE

Standardized Testing and Reporting Program

The Standardized Testing and Reporting (STAR) Program consists of several key components, including:

- **California Standards Tests (CSTs)**, which include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, and nine through eleven.
- **California Modified Assessment (CMA)**, an alternate assessment that is based on modified achievement standards in ELA for grades three through eleven; mathematics for grades three through seven, Algebra I, and Geometry; and science in grades five and eight, and Life Science in grade ten. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations.
- **Alternate Performance Assessment (CAPA)**, includes ELA and mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations.

The assessments under the STAR Program show how well students are doing in relation to the state content standards. On each of these assessments, student scores are reported as performance levels.

For detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, see the [CDE STAR Results Web site](#).

Standardized Testing and Reporting Results for All Students - Three-Year Comparison

This table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards). Scores are not shown when the number of students tested is 10 or less because the number of students in this category is too small for statistical accuracy.

Subject	School			District			State		
	2010-11	2011-12	2012-13	2010-11	2011-12	2012-13	2010-11	2011-12	2012-13
English-Language Arts	78	86	81	74	78	78	54	56	55
Mathematics	89	91	83	67	69	67	50	51	50
Science	91	97	79	82	84	82	57	60	59
History-Social Science	n/a	n/a	n/a	70	72	74	48	49	49

Standardized Testing and Reporting Results by Student Group - Most Recent Year

This table displays the percent of students, by group, achieving at the Proficient or Advanced level for the most recent testing period. Scores are not shown when the number of students tested is 10 or less because the number of students in this category is too small for statistical accuracy.

Group	Percent of Students Scoring at Proficient or Advanced			
	English Language Arts	Mathematics	Science	History-Social Science
All Students in the LEA	78	67	82	74
All Students at the School	81	83	79	n/a
Male	78	86	81	n/a
Female	83	81	78	n/a
Black or African American	n/a	n/a	n/a	n/a
American Indian or Alaska Native	n/a	n/a	n/a	n/a
Asian	84	95	n/a	n/a
Filipino	n/a	n/a	n/a	n/a
Hispanic or Latino	82	76	n/a	n/a
Native Hawaiian or Pacific Islander	n/a	n/a	n/a	n/a
White	83	85	88	n/a
Two or More Races	71	82	n/a	n/a
Socioeconomically Disadvantaged	71	68	67	n/a
English Learners	69	69	n/a	n/a
Students with Disabilities	63	66	n/a	n/a
Students Receiving Migrant Education Services	n/a	n/a	n/a	n/a

ACCOUNTABILITY

Academic Performance Index (API)

The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. Detailed information about the API can be found on the CDE [Academic Performance Index \(API\) Web page](#).

API Ranks - Three-Year Comparison

API Rank	2010-11	2011-12	2012-13
Statewide	9	10	10
Similar Schools	8	7	7

Academic Performance Index Ranks

The statewide API rank ranges from one (lowest) to ten (highest). The schools API rank reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of one means that the school's academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of ten means that the school's academic performance is better than at least 90 of the 100 similar schools.

Academic Performance Index

Growth by Student Group Three-Year Comparison	Group	Actual API Change		
		2010-11	2011-12	2012-13
This table displays by student group the actual API changes in points added or lost for the past three years, and the most recent API score. Note: "N/D" means that no data were available to the CDE or LEA to report.	All Students at the School	6	13	-17
	Black or African American			
	American Indian or Alaska Native			
	Asian			
	Filipino			
	Hispanic or Latino			
	Native Hawaiian or Pacific Islander			
	White	0	20	-17
	Two or More Races			
	Socioeconomically Disadvantaged			
	English Learners			
	Students with Disabilities			

Academic Performance Index Growth by Student Group – 2012-13 Growth API Comparison

This table displays, the number of students included in the API and the Growth API at the school, LEA, and state level.

Group	Number of Students	School	Number of Students	LEA	Number of Students	State
All Students at the School	273	912	6,442	887	4,655,989	790
Black or African American	5		436	826	296,463	708
American Indian or Alaska Native	0		31	835	30,394	743
Asian	21	896	739	939	406,527	906
Filipino	9		179	919	121,054	867
Hispanic or Latino	43	876	1,458	830	2,438,951	744
Native Hawaiian or Pacific Islander	1		62	871	25,351	774
White	169	928	3,262	908	1,200,127	853
Two or More Races	25	907	275	892	125,025	824
Socioeconomically Disadvantaged	42	872	1,492	824	2,774,640	743
English Learners	18	876	613	805	1,482,316	721
Students with Disabilities	43	820	819	750	527,476	615

Adequate Yearly Progress

The federal NCLB act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in English-language arts (ELA) and mathematics
 - Percent proficient on the state's standards-based assessments in ELA and mathematics
 - API as an additional indicator
 - Graduation rate (for secondary schools)
- Detailed information about AYP can be found on the CDE [Adequate Yearly Progress \(AYP\) Web page](#).

AYP Overall and by Criteria (School Year 2012-13)	School	District
Made AYP Overall	No	No
Met Participation Rate - English-Language Arts	Yes	Yes
Met Participation Rate - Mathematics	Yes	Yes
Met Percent Proficient - English-Language Arts	No	No
Met Percent Proficient - Mathematics	No	No
Met API Criteria	Yes	Yes
Met Graduation Rate	N/A	Yes

“Yes” Met 2012 AYP Criteria “No” Did not Meet 2012 AYP Criteria

Federal Intervention Program (2013-14)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English-language arts or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found at the CDE Web site at <http://www.cde.ca.gov/ta/ac/ay/>.

Indicator	School	District
Program Improvement Status	Not In PI	In PI
First Year of Program Improvement		2013-14
Year in Program Improvement		Year 1
Number of Schools Currently in Program Improvement		2
Percent of Schools Currently in Program Improvement		50.0%

SCHOOL FINANCES

Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2011-12)

The following table displays the school's average teacher salary and a breakdown of the school's expenditures per pupil from unrestricted and restricted sources.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Supplemental)	Expenditures Per Pupil (Basic)	Average Teacher Salary
School Site	7981.23	2564.56	5416.67	57865.35
District			5361.19	71706.
Percent Difference School Site and District			1.0%	-2.2%
State			\$5537	\$67106
Percent Difference School Site and State			-19.3%	-14.9%

Teacher and Administrative Salaries (Fiscal Year 2011-12)

This table displays district teacher and administrative salary information and compares the figures to the state averages for districts of the same type and size based on the salary schedule. Detailed information regarding salaries may be found on the [Certificated Salaries and Benefits](#) Web page.

Category	District Amount	State Average For Districts In Same Category
Beginning Teacher Salary	\$47,290	\$40,928
Mid-Range Teacher Salary	\$70,589	\$64,449
Highest Teacher Salary	\$84,914	\$82,826
Average Principal Salary (Elementary)	\$102,682	\$102,640
Average Principal Salary (Middle)	\$107,964	\$109,253
Average Principal Salary (High)	\$114,058	\$118,527
Superintendent Salary	\$239,658	\$183,968
Percent of Budget for Teacher Salaries	43.0%	40.0%
Percent of Budget for Administrative Salaries	5.0%	6.0%

Types of Services Funded (Fiscal Year 2012-13)

Tulita Elementary School receives School Improvement and EIA funds. These funds are used for supporting English Learners and providing support for all students' learning. Recent purchases include supplemental instructional materials to support intervention programs for at-risk students in all grades. EIA also funds the salary of a part-time paraprofessional to work directly with English Learners and provide classroom support.

Data and Access

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. For more information about SARC requirements, see the [California Department of Education \(CDE\) SARC Web page](#). For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., state Academic Performance Index [API], federal Adequate Yearly Progress [AYP]), test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Additional Information

For further information regarding the data elements and terms used in the SARC see the 2012-13 Academic
