About St. Francis High School

St. Francis High School - Salesian College Preparatory - is a co-educational institution located in Watsonville, California. Faculty and staff, in partnership with parents, work to ensure every student is prepared to attend a 4-year college and possesses the values of a good Christian and an honest global citizen. We annually celebrate 100% student graduation and college acceptance. Our family spirit provides students with the foundations of lifelong learning: logical and creative thinking skills, awareness of issues of justice and peace, and tolerance and respect for others. The guiding principal of our mission came from our founder, St. John Bosco, who said, "Education is a matter of the heart."
