

Cafeteria Times – Fall 2014

Welcome from the Bradfield Cafeteria staff!

Starting a new school year is always exciting for the cafeteria staff – greeting new students and welcoming back returning students. Here is information regarding price increases and menu changes for this year. The main price increases are listed below. For a complete list of prices please check the cafeteria webpage.

- K-1st Grade Plate Lunches - \$4.00
- K-1st Grade Plate Lunches with either Organic or Soy Milk --\$5.50
- Entrees - \$2.00
- Chips - \$1.00
- Ice Cream - \$1.00

Why the increase in prices?

The cost of beef, poultry, pork, dairy, wheat, and fresh produce has gradually increased the past two years. The increase in basic items affects other products, such as juices, cheeses, eggs, and frozen vegetables. The cafeteria has gradually absorbed these additional costs.

Changes that have been made to the menu:

- Continued use of organic eggs, poultry, and beef when possible
- More vegetarian options
- “Wheatless Wednesdays” for Gluten-Free options
- Continue to include more “scratch-made” items
- The K-1st Cold Plate has been revised – the packaged Peanut Butter/Sandwich Option has been reduced to 1 day only during the week.
- All K-1st Lunch Plates have been upgraded to provide a filling meal for students.
- Fish, generally a fillet, is offered once a week, at \$3.75
- Wednesdays continue to be a “No Ice Cream Sold” day
- Nutrislice menu display continues to show the ingredients and nutritional information, when possible, for products served. Nutrislice is now also available as an app for your phone.

Feel free to contact any person listed below if you have questions or concerns. Thanks - have a great year!
