

The one event to attend this year if your child is to succeed in a STEM world!

STEM-Wise 2015

“What Parents Need to Know for Their Child to Succeed”

Saturday, May 2, 2015 ~ 9:30 a.m. to 11:30 a.m. Check-in starts at 9 a.m.

GM Tonawanda Engine Plant

2995 River Road ~ Tonawanda, NY 14207

A **FREE** event for parents and other family members of students interested in or currently enrolled in K-12 academic programs in the Science, Technology, Engineering and Math (STEM) fields.

Keynote Speaker: **Dr. Liesl Folks**
Dean, School of Engineering and Applied Sciences
State University at Buffalo

LEARN:

- ♦ What STEM education is all about ♦ How you can support your son or daughter
- ♦ College scholarship opportunities ♦ A parent's perspective on STEM
- ♦ Career and jobs available in the area
