Configuration

[Next](#)

WESTMONT HILLTOP SCHOOL will automatically configure your iPad.

In the next step you will login using your WHSD network email credentials. You only need the initials and numbers of the username just like you use on the computers in the school. If your email is [ABD123@whsd.org](mailto:ABD123@whsd.org) all you enter on the username line is **ABC123** then your password on the next line. Remember that your password is case sensitive. If your information is not accepted Mr. Molnar and Mr. Cowder will be here to assist you.

Please enter your credentials to authenticate your device.

Username Username

Password Required

The next step is to **create a passcode.**

iPad 3:05 PM 78%

< Back

# Create a Passcode

A passcode protects your data and is used to unlock iPad.

- - - -

Touch **Get Started** to move to the next step.

iPad

# Welcome to iPad

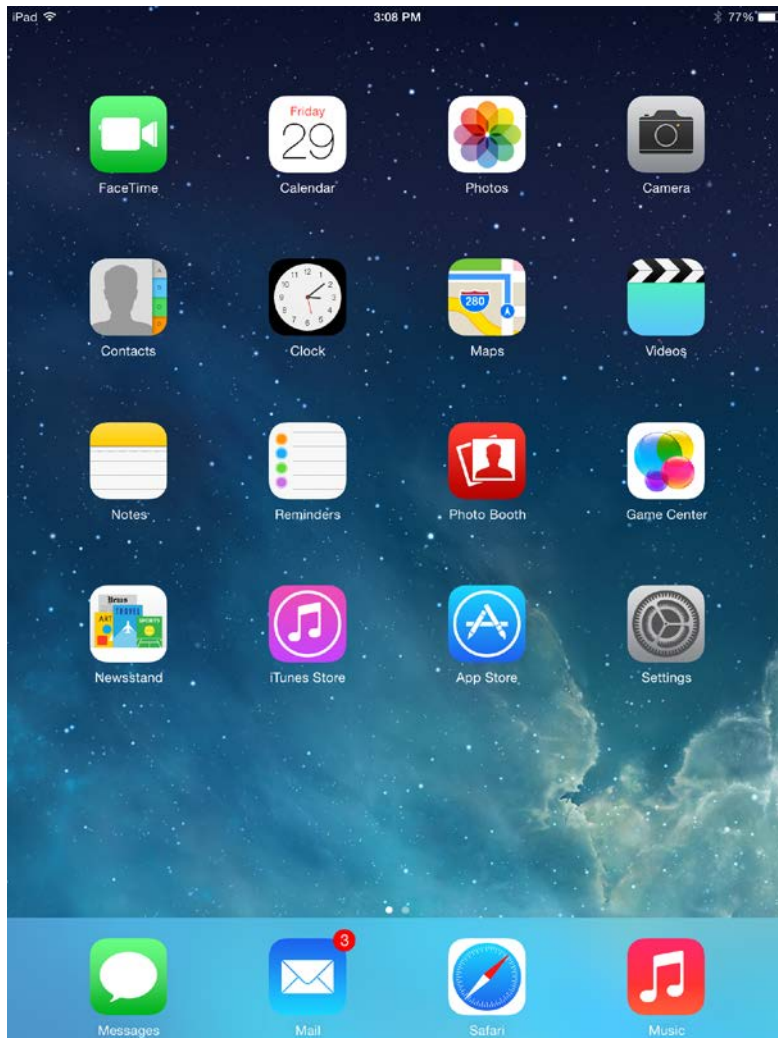

[Get Started](#)

On the next step you should enter your **email password**. This is confusing because it is asking for **Exchange ActiveSync**.

You should see the home screen next.

Please visit the following page on [www.whsd.org](http://www.whsd.org) for instructions on how to set up your iTunes account. Go to the Academics tab, then Resources for students.

Click here for a direct link to the document.
