

RELIGION CURRICULUM

SECOND GRADE

I am the Bread of Life; whoever comes to Me will never hunger. (Jn 6:35)

Focus: Preparation for the Sacraments of Reconciliation and Eucharist – In Reconciliation, we express sorrow for our sins and we celebrate God's forgiveness. In Eucharist, we are nourished with Jesus' Body and Blood.

Faith Background

The spiritual needs of a second grade student center around a sense of wonder and basic contemplation. Children this age are nearing the stage when they will be able to reflect on and absorb information.

Second graders are incapable of interpreting symbolic language. Descriptive and metaphorical words are often interpreted literally. Therefore, spontaneous prayer will be an important introduction to prayer as conversation.

The second grade student usually views God as a human figure with some of the same physical limitations as humans. Their personal images of God continue to be influenced heavily by parents and other significant adults. Secure, trusting relationships will help children build important foundations for Christian faith.
