SECTION I- ORGANIZATION

Philosophy

The Greene County Board of Education recognizes that the employment of highly qualified personnel is essential to provide quality education for students in the school system. The board recognizes the need to provide professional growth opportunities for employees, to involve employees in decision making, and to maintain high morale among the staff. The interest of the educational program is best served when mutual understanding, cooperation and communication exists among the board, the administration and the staff.

Classification of Employees [\(Policy 5.102\)](#)

Employees of the Greene County School District, are classified in two ways, professional or certified and support/classified or non-certified personnel.

Certified Employees

The professional or certified employees are the personnel whose employment status requires a certification in accordance with the rules and regulations of the State Board of Education.

Support/Classified Employees

The support/classified or non-certified personnel are personnel whose regular employment does not require certification in accordance with the rules and regulations of the state of Tennessee. Support personnel include, but are not limited to, the following: bookkeepers, secretaries, maintenance employees, technology employees, custodial employees, clerks, instructional assistants and family resource employees.

Line and Staff Relations [\(Policy 5.101\)](#)

All personnel are expected to keep their immediate supervisor informed of their activities and to refer matters requiring administrative action to them.

All personnel shall have the right to appeal any decision made by an administrative officer through grievance procedures established through board policy.

Lines of authority do not restrict the cooperative, sensible working together of all staff members at all levels. The established lines of authority represent direction of authority and responsibility and avenues for a two-way flow of ideas to improve the program and operations of the school system.

Staff Student Relations [\(Board Policy 5.610\)](#)

Staff members shall maintain professional relationships with students at all times and develop wholesome and constructive relationships with them. Staff members shall be expected to regard each student as an individual and to accord each student the rights and respect that is due.

Staff members shall promote a learning environment that encourages fulfillment of each student's potential in regard to his/her program, consistent with district goals and with optimal opportunities for students. This goal may be reached by adapting instruction to individual needs, by:

1. Insisting on reasonable standards of scholastic accomplishment for all students;
2. Creating a positive atmosphere in and out of the classroom;
3. Extending courtesy and respect to students; and
4. Treating all students with consistent fairness.

Staff members shall use good judgment in their relationships with students beyond their work responsibilities and/or outside the school setting and shall avoid excessive informal and social involvement with individual students. Any appearance of impropriety shall be avoided. Sexual relationships between employees and students shall be prohibited.

SECTION III - EMPLOYEE BENEFITS

Eligibility for Benefits

Greene County Board of Education Employees who work at least thirty (30) hours per week in a benefits position are eligible for the following: group health/life insurance, retirement, cafeteria plan, dental/optical reimbursement, sick leave, and vacation/paid holidays as provided by the Board of Education. If other benefits are added in the future, the district will use the same employment criteria.

Group Health/Life Benefits

Employees who work at least thirty (30) hours per week in a benefits position are eligible for the group health insurance plan. Eligibility is effective the first of the month following employment. The Greene County Board of Education pays the major portion of the individual premium for employees. Family, spouse, and child coverage is optional and the additional cost must be paid for by the employee, if taken. When a husband and wife are both employed by the Greene County School System the Board shall apply the dollar amount which otherwise would have been paid by the individual coverage to family coverage.

All new bus drivers will be reimbursed for the actual cost of health insurance for an individual policy up to the same amount that the school system is contributing for an individual on the state insurance plan. Drivers must apply for reimbursement during the first thirty (30) days of employment. This is the only window of opportunity available for this benefit. Documentation for the actual cost of insurance must be submitted to the employee benefits clerk on a monthly basis.

Retiring support/classified employees who choose to continue their insurance coverage with the Tennessee Consolidation Retirement System group plan and have thirty years of service in Greene County, or are sixty (60) years of age with at least twenty (20) years of service in Greene County, shall be entitled to payment by the Board equal to the amount being paid each year for an active employee's individual coverage. Payment will be made to the insurance company as long as insurance is in effect until age sixty-five (65). Life insurance coverage will also be continued until sixty-five (65) within the same guidelines.

Continuation of coverage may be obtained if loss of coverage was a result of reduction of hours, termination of employment (for reasons other than gross misconduct), death of spouse, divorce or legal separation. Employees have the responsibility to inform the Employee Benefits Office when one of these conditions occur. In turn the employee will be notified of the right for continuation of coverage (eighteen (18) months or three (3) years – depending on the condition). If continuation is elected, the employee is responsible for full payment to the Tennessee Insurance Program.

Employees retiring with twenty (20) years of service with Greene County Schools AND age sixty (60) or thirty (30) years of credited service with Tennessee Consolidated Retirement System (TCRS) shall be carried on the group insurance plan. The Board will provide the retiree the funds equal to the total state and local funds provided on an

individual policy until the age eligible to receive Medicare benefits. The Board will also provide the retiree with continued life insurance coverage until the age eligible to receive Medicare benefits. Once the retiree reaches age eligible to receive Medicare benefits, the retiree may continue the coverage by self-paying the premium.

Leaves of Absences – Continuation of Coverage ([Policy 5.301](#); [Policy 5.302](#); [Policy 5.3021](#); [Policy 5.303](#); [Policy 5.304](#); [Policy 5.305](#); [Policy 5.306](#); [Policy 5.307](#); [Policy 5.308](#); [Procedure 5.304 Exhibit A](#))

Employees on non-paid leave of absence shall have the opportunity to continue insurance coverage by paying the premium to the Tennessee Insurance Program by the first working day of each month. Coverage may continue if the Board grants extended leave beyond one year if the premiums continue to be paid by the employee.

Employees on medical disability leave (self only) without FMLA protection may continue insurance coverage by paying the total premium to the Tennessee Insurance Program by the first working day of each month. If the employee is unable to return to work and employment is terminated, coverage may continue on the COBRA plan for eighteen (18) months (or thirty-six (36) months in certain situations) with the employee responsible for payment of the premium.
