

Morning Drop-Off and Afternoon Pick-up Reminders

In the mornings, students should only be dropped off at the west end of the parking lot. They will cross the staff parking area and enter the building from the playground. Do not drop your child off at the front door. This is not a safe area for student drop off. If you would like your child to enter the front door, please park and accompany your child. Students may only enter the front door if accompanied by a parent, or during inclement weather.

Supervision is not available for students prior to 8:35 AM. Please do not bring your child to school prior to that time.

In the afternoon, our parking lot becomes very busy. It is shared by school busses, cars, and pedestrians. Some parents choose to park on the street and walk to the front sidewalk to meet their students. If you drive into the parking lot, please follow the traffic pattern on the map. Remember to drive slowly and cautiously. Do not use your cell phone while driving. Students are not allowed to cross the parking lot without an adult. Please be respectful of our teachers who are helping to supervise the parking lot.

Thank you for your cooperation!
