Principal's message

The Mission Statement of Saugus High School is to "Promote all students' learning to ensure personal growth and future success." This California Distinguished School has a rich tradition that spans almost four decades of service to the community. Our five essential tenets reflect what we aspire to provide for our students – (1) Promote Academic Excellence, (2) Provide Positive Social Development, (3) Foster Athletic Distinction, (4) Create an Appreciation for the Arts, and (5) Support Career Technical Opportunities. Our guiding principle is that schools are for kids and they exist to prepare every student for the world that awaits them after their secondary education is complete. The end result can only be realized through the incredible efforts of a committed staff of educators and support personnel alongside of loyal parents and generous business partners. All work in collaboration to assure that students are given the best opportunities to soar beyond graduation.

We offer programs and classes that help facilitate that preparation, including 41 sections of Advanced Placement classes and an additional 36 sections of honors courses. We are also quite proud to offer a strong REACH program on campus that is preparing students for entry into four-year college environments. Through the partnerships established with more than fifty local businesses and individuals, Saugus High is leading the way in unique educational opportunities. Some examples include: establishing a four year STEM Engineering program with internships and job shadowing opportunities. Additionally, we have the only cultural exchange program in the district (with Gao Xin #1 High School in Xi'an, China), pioneering the pod casting of AP lectures, leadership mentoring, engaging all freshmen students in the S.H.A.R.E. (Stop Hatred and Respect Everyone) program, taking all sophomore students to the Museum of Tolerance, creating Saturday Academies to assist students with academic progress, and forming a Freshman Immersion Day.

In addition to our focus on a rigorous curriculum, Saugus High School boasts outstanding athletic and co-curricular programs. More than half of those enrolled at Saugus are actively participating in one of 20 sports programs or are engaged in one of the many electives designed to foster the creativity of our students (dance, band, color guard, choir, theater arts, journalism, yearbook, literary magazine, Saugus News Network, academic decathlon). Athletically, over the past 11 years, Saugus has captured 10 state championships, 13 Southern Section titles, and 53 league championships. The accolades garnered by the co-curricular programs on campus have similarly filled the trophy cases.

Saugus High School continues to develop Career Technical Opportunities allow students to explore pathways that they might be interested in pursuing after receiving their diploma. Saugus has developed specialized career pathways: Automotive Technology, Business Finance, Manufacturing, Environmental Resources, Health and Medical services, ICT Games and Simulation, ICT Software and Systems Development, Introduction to Engineering (PLTW), Journalism, and Video Production.

Many students at Saugus High School participate in service organizations on campus that have community wide implications. Examples include (but are not limited to) ASB, Key Club, National Honor Society, Varsity Club, and multiple athletic and co-curricular programs. They are often found in the community, assisting many of our local charitable organizations and non-profit programs – Michael Hoefflin Foundation for Pediatric Cancer, the Santa Clarita Valley Boys and Girls Club, SCV Senior Center, SCV Food Pantry, Relay For Life (Cancer), and many others.

It's important for us to foster an educational community in Saugus. Our feeder schools are made up of a two year junior high (Arroyo Seco Jr. High) and seven feeder elementary schools (Emblem Academy, Foster Elementary, Highland Elementary, Mountainview Elementary, Plum Canyon Elementary, Rosedell Elementary, and Santa Clarita Elementary). For the past few years, we have developed and refined a number of outreach opportunities for these "Future Centurions" and their parents to get plugged in to our school. We have teachers, counselors, administrators, and students meet one evening in the fall with all parents. We host a 5th /6th Grade Open House in January (complete with dinner, tours of classrooms, participation in activities, entrance to our basketball game, and a free tee shirt for everyone. Additionally, our Journalism Department publishes an awesome 16 page issue of our school newspaper directed specifically toward the future students and their parents.

There are almost 150 staff members at Saugus High School and each is highly qualified in their subject area and/or employment assignment. They are nurturing and focused on providing the best instructional opportunities possible for all students. We have 90 teachers, 5 administrators, 6 counselors, 1 psychologist, 1 librarian, 17 clerical staff members, 10 custodians and grounds men, 10 Instructional Aides, and 8 Campus Supervisors. Additionally, we have a full time Campus Resource Officer (L.A. County Sheriff's Deputy) stationed on our campus and a part time Career Coach (funded through our local community college – COC).

The motto of Saugus High School reflects the purpose of these staff members and the greater community - "We don't just teach students... We develop people who build better tomorrows."

Vince Ferry, PRINCIPAL

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

2016-17 Student Enrollment by Grade Level	
Grade Level	Number of Students
Grade 9	649
Grade 10	602
Grade 11	590
Grade 12	544
Total Enrollment	2,385

2016-17 Student Enrollment by Group

English Learners	4.1
Students with Disabilities	12.2
Foster Youth	0.2

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements (Most Recent Year)

Saugus High School was built in 1975 and completed a \$52 million construction modernization project in 2007. In 2013, the school completed a \$6 million remodel of our Career Technical Building with new facilities to teach broadcasting, video production, cabinetry and construction, graphic arts and silk screening, and NATF certified auto mechanics.

In the fall of 2008, the community passed a bond that will further the development of educational venues at Saugus High. This will allow us to construct a new 475-seat performing arts center, named the Saugus Forum. This facility has gone through architectural design and design development and is scheduled to break ground in May 2016. The Saugus Forum Project is now under construction and scheduled to open May 2018 .

Each and every campus within the Wm. S Hart High School District is inspected by an on-site facility person on a daily basis. All deficiencies are reported electronically directly to District Maintenance and are corrected in an expeditious manner. As of 1/9/2018 there are currently 32 work orders in progress.

School Facility Good Repair Status (Most Recent Year)				
Year and month in which data were collected: 6/20/2017

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2016-17 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	15-16	16-17	15-16	16-17	15-16	16-17
ELA	84	88	67	68	48	48
Math	50	55	47	48	36	37

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	14-15	15-16	14-15	15-16	14-15	15-16
Science	66	71	75	69	56	54

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

Grade Level	2016-17 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
9	12.6	20.1	57.3

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

2015-16 CAASPP Results by Student Group Science (grades 5, 8, and 10)				
Group	Number of Students		Percent of Students	
	Enrolled	with Valid Scores	w/ Valid Scores	Proficient or Advanced
All Students	615	605	98.4	70.9
Male	303	296	97.7	71.3
Female	312	309	99.0	70.6
Black or African American	12	12	100.0	66.7
Asian	19	14	73.7	71.4
Filipino	22	22	100.0	81.8
Hispanic or Latino	189	187	98.9	59.9
White	341	339	99.4	76.4
Two or More Races	29	28	96.6	71.4
Socioeconomically Disadvantaged	104	103	99.0	42.7
English Learners	28	22	78.6	18.2
Students with Disabilities	75	74	98.7	28.4

* Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**School Year 2016-17 CAASPP Assessment Results - English Language Arts (ELA)
Disaggregated by Student Groups, Grades Three through Eight and Eleven**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	578	569	98.44	87.87
Male	273	267	97.8	83.9
Female	305	302	99.02	91.39
Black or African American	11	11	100	81.82
American Indian or Alaska Native	--	--	--	--
Asian	12	12	100	83.33
Filipino	21	21	100	100
Hispanic or Latino	174	172	98.85	83.14
Native Hawaiian or Pacific Islander	--	--	--	--
White	325	319	98.15	89.97
Two or More Races	31	30	96.77	90
Socioeconomically Disadvantaged	88	85	96.59	74.12
English Learners	29	28	96.55	46.43
Students with Disabilities	71	67	94.37	46.27
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

School Year 2016-17 CAASPP Assessment Results - Mathematics
Disaggregated by Student Groups, Grades Three through Eight and Eleven

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	577	560	97.05	55
Male	272	259	95.22	54.44
Female	305	301	98.69	55.48
Black or African American	11	11	100	45.45
American Indian or Alaska Native	--	--	--	--
Asian	12	12	100	91.67
Filipino	21	21	100	71.43
Hispanic or Latino	173	168	97.11	49.4
Native Hawaiian or Pacific Islander	--	--	--	--
White	325	314	96.62	57.32
Two or More Races	31	30	96.77	43.33
Socioeconomically Disadvantaged	87	83	95.4	39.76
English Learners	29	27	93.1	25.93
Students with Disabilities	71	65	91.55	21.54
Foster Youth	--	--	--	--

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

Saugus High School is privileged to showcase an extremely involved parent community. It starts by being a proud PTSO (Parent Teacher Student Organization) school. Through the fundraising efforts of the PTSO, the school has gained access to thousands of dollars that have gone toward assisting every teacher on campus, as well as funding between 10 and 15 student scholarships each year. Saugus has also established a parent run non-profit organization called the Centurion Foundation. This entity actively solicits donations and runs an annual Golf Tournament and Spring Silent Auction. In 4 years the Centurion Foundation has brought in \$200,000 to support the academic, athletic and co-curricular arts programs of Saugus High School. All the funds go directly into assisting teachers with classroom and program needs. Beyond PTSO and the Centurion Foundation, booster clubs for fine arts and athletic programs bring a great deal of support for programs that augment student growth. Saugus has fostered an incredible network of community business leaders who have become highly involved in supporting our school. Nine years ago, a strong Alumni Foundation was formed, which has brought great benefits to the campus. Many other parent volunteer programs have been born out of a need and desire to support academics, athletics and co-curricular programs on campus.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Saugus High places an emphasis on the safety and security of our staff and student body. The Safety Committee reviews and revises the school's safety plan on an annual basis. In the fall semester of each year, Staff, students, and many volunteer parents participate in the annual California Shakeout exercises and the Emergency Evacuation Drill. The school also conducts an annual fire drill in the springtime. Beginning 2015, Saugus High began conducting a complete lock down drill each semester..

Administrators, Campus supervisors, and some counselors and teachers help monitor students on campus before and after school, during nutrition breaks, and at lunchtime. Administrators and campus supervisors maintain radio communication throughout every school day. Saugus High School also has a dedicated School Resource Officer (LA County Sheriff Deputy) who assists greatly with supervision, investigations, and overall safety procedures.

Safe School Ambassador Program is an "inside-out" approach to improving school climate, one that relies on social norms change and the power of students to help stop bullying and violence. Student bystanders see, hear, and know things adults don't, and can intervene in ways adults can't and are often on the scene of an incident before an adult. They are a critical and under-utilized resource for positively impacting the crisis of bullying in our schools. Saugus High as approximately 60 trained student ambassadors working daily to make Saugus a safe place.

All visitors must sign-in at the office and receive proper authorization to be on campus. All visitors are met at the front gate by a campus supervisor who directs them to the receptionist for signing in and obtaining official credentials.

Saugus High's safety plan is communicated to staff (at yearly meetings), students (through video broadcasting on routine basis), and parents (through newsletters, school paper, and PTSO meetings). The safety plan is updated and discussed at various times throughout the school year, including our recent faculty meeting January 10, 2018

Suspensions and Expulsions			
School	2014-15	2015-16	2016-17
Suspensions Rate	1.7	1.6	1.5
Expulsions Rate	0.0	0.0	0.0
District	2014-15	2015-16	2016-17
Suspensions Rate	1.5	1.3	1.5
Expulsions Rate	0.1	0.0	0.0
State	2014-15	2015-16	2016-17
Suspensions Rate	3.8	3.7	3.6
Expulsions Rate	0.1	0.1	0.1

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

2017-18 Federal Intervention Program		
Indicator	School	District
Program Improvement Status		
First Year of Program Improvement		
Year in Program Improvement		
Number of Schools Currently in Program Improvement		
Percent of Schools Currently in Program Improvement		

Academic Counselors and Other Support Staff at this School	
Number of Full-Time Equivalent (FTE)	
Academic Counselor	6.0
Counselor (Social/Behavioral or Career Development)	1.0
Library Media Teacher (Librarian)	1.0
Library Media Services Staff (Paraprofessional)	1.0
Psychologist	2
Social Worker	1.0
Nurse	1.0
Speech/Language/Hearing Specialist	1
Resource Specialist	5
Other	
Average Number of Students per Staff Member	
Academic Counselor	430

* One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Average Class Size and Class Size Distribution (Secondary)												
Subject	Average Class Size			Number of Classrooms*								
				1-22			23-32			33+		
	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17
English	28	26	25	25	29	29	20	19	29	45	44	42
Mathematics	24	29	27	8	3	5	12	10	7	7	8	7

Social Science	26	24	23	21	28	31	13	16	18	36	30	28

* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Professional Development provided for Teachers

Professional Development for the past three school years has focused on the implementation of the Common Core State Standards, differentiated instruction and technology. To support teachers in the transition to the core, the concentration is on building foundational understanding of the standards, developing resources, and expanding collaborations between all stakeholders. ELA and math content teams are developing pacing guides and designing rigorous curricular units for the 2015-2016 school year and beyond. Professional Development Instructional coaches are engaged in a deep examination of the Common Core Anchor Standards for Literacy in preparation for supporting all teachers as they teach literacy across the curriculum. These Common Core Anchor standards delineate reading, writing, listening and speaking skills students utilize across curriculum at all grade levels. All teachers participate in site and district level professional development around these key literacy standards as well as strengthen and support core instruction of literacy practices. Teachers are also provided with the mobile technology and support they need to enhance instruction and increase the use of technology in the classroom.

FY 2015-16 Teacher and Administrative Salaries		
Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$47,400	\$50,221
Mid-Range Teacher Salary	\$73,675	\$83,072

Career Technical Education Programs

The Wm. S. Hart Union High School District, in collaboration with the Santa Clarita Community College District, is introducing a comprehensive college and career readiness initiative titled "Pathway to My Future." The initiative will allow students to be more aware of what they need to do in preparation for life after high school. Dedicating more attention earlier on than ever before, students will be identifying their interests and careers that match. Students will also be able to explore a wide array of post-secondary educational options that align with work done while involved in a Career Pathway. The need for this initiative came about from an outcry of students who finished their post-secondary options and then say, "Now what?" The Pathway to My Future Initiative will enable students to have a clear, focused direction on what they want to do for a career by either attaining a job directly after high school in the field by completing a pathway leading to a certificate, or furthering their education with a subject major or institution of higher learning that will continue to the work they began in the Hart District.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
