

Cafeteria News for the Month of May!

To ensure a successful transition from school-time to summer time, please read the following:

- The online lunch service will no longer accept any credit/debit card payments after May 7th.
- If you wish to add funds to this online account, you must send **cash** to your child's homeroom teacher in an envelope marked with your child's name. **NO checks will be accepted after May 7th.**
- If your account has any current charges, those charges will need to be paid before the close of school on Monday, May 14th. Access to your child's report card will be blocked until all charges/fees are resolved.

Any monies left on a student's account on the last day of school will roll forward to the 2018/19 school year. Fifth grade account funds will follow your child to their assigned middle school.

If you are moving out of the district, a request for a refund check must be made in writing to the cafeteria. A refund will be mailed to you from School Nutrition to the address you provide.

We look forward to serving you again next year!
