**Bartlett City Schools Honors
Academy Application for
Admission**

Statement of Intent

I have read the Honors Academy literature and understand that meeting the eligibility requirements does not assure admission to the program and that the decision of the Honors Academy Board will be final. As a parent, I understand that if my child is accepted continued participation in the program is dependent upon academic performance, meeting high behavior expectations, and completion of community service hours.

I commit to earning a minimum of 14 Honors Units throughout my high school career with a minimum of 3 units completed each year. An honors class or a Dual Enrollment class counts as 1 Honor Unit and an Advanced Placement Class counts as 1.5 Honors Units. Honors Academy co-hort members must maintain a 3.5 GPA. If my grades fall below these criteria, I understand I will be dismissed from the Honors Academy.

I realize that I must complete twelve (12) hours of community service each school year as defined in the Honors Academy literature as well as complete a capstone project during his/her senior year. The Project of Impact will serve as a culminating project centered around his/her elective focus or a community based project. The project has a research, writing, and presentation component to showcase each senior's unique focus and strengths.

I also realize that being accepted to Bartlett High School's Honors Academy is privilege that few will get to experience. With that there are higher behavior expectations for students within the program. Behavior infractions will not be tolerated.

I further commit to attendance at the appropriate student and parent meetings so that we will clearly understand the benefits and requirements of such a program.

I understand that my child's transcript, TCAP scores, and records may be used in the screening process for admission to the Bartlett Honors Academy.
