

## **"Who Am I" High School International Student Questionnaire**

1. Why do you want to go to school in the U.S.?
2. What are the first three words you would use to describe yourself?
3. What are the first three words your teachers would use to describe you?
4. What are the first three words your parents would use to describe you?
5. What are the first three words your friends would use to describe you?
6. What do you consider your most defining personal characteristic? Please give an example of how you have demonstrated this quality.
7. What do you do to relax and have fun?
8. Have there been any big events (a move, a divorce in the family, a difficult relationship, an illness, etc.) that have had a major impact on your life? Please describe the circumstances and how you dealt with them.
9. Where have you traveled outside of China? What did you find the most interesting about each place?
10. Do you have any special skills, talents, interests or hobbies (i.e.: karate, web page design, dance, etc.)?
11. Have you ever skipped a grade? Which grades?
12. What are your chief academic strengths? Why?

13. What are your academic weaknesses? How do you deal with or compensate for these weaknesses?
14. How many hours of studying and homework do you do each day?
15. What do you read and how often (OTHER than assigned reading for school)? Please list books, magazines, newspapers, websites you enjoy reading regularly or have recently read.
16. If you have future professional/occupational goals at this point, what are they? In other words, do you have thoughts about what you want to do "when you grow up?"
17. Out of all of your activities, both academic and non-academic, which one or ones are the most meaningful to you and why? (Think about it this way: the activity/interest you write about should be the thing you get most excited about and the thing you wish you could spend most of your time doing.)
18. Have you ever lived with someone who is not your parents? For how long (2 weeks, 2 years, etc)? What was the best part, and worst part about living with them?
19. What do you hope to learn from living with your American host mom and dad?
20. What can you teach or help your American host family?
21. Do you have any allergies (过敏), asthma, or any medical conditions?
22. What is your blood type?
23. Do you take any medicine regularly?
