

St. Francis of Assisi Tuition Assistance Fund

Education is an important investment in a child's future. We believe that a St. Francis education provides benefits that last a lifetime! We would like for every child to enjoy the gift of a Catholic education. We will do our best to work with families who need financial assistance to make this happen.

The Tuition Assistance Fund exists in order to provide support to the families of students with demonstrated financial need who wish to attend St. Francis of Assisi School. Over the past 17 years, more than 400 St. Francis families have received over \$940,000 in financial assistance. The tuition assistance fund is supported through the generosity of the tri-parish communities of San Antonio de Padua, St. Martin de Porres, and Santa Clara de Asis as well as the support of generous benefactors.

Any registered St. Francis family may apply for tuition assistance. This financial aid is awarded annually based upon the availability of funds and a qualified applicant's demonstrated need. The amount of financial aid awarded is based on information provided by the applicant on the FACTS Tuition Assistance Analysis form. This process takes income and assets of the family into account, as well as the size of the family, the number of children attending St. Francis and other tuition charging schools, the state and/or metropolitan area where the family resides, the number of working parents and other factors.

Online applications for financial assistance for the 2018-2019 school year will be **available from April 13, 2018 through May 13, 2018**. The online application is located at the FACTS parent portal at <https://online.factsmgt.com/signin/3CW42>.

Once the application period has closed, all applications will be prioritized based on need to determine any award amount. Determination letters will be sent to all applicants on May 25, 2018.
