Please stand for prayers:

In the name of the Father, and of the Son, and of the Holy Spirit. Amen.

Heavenly Father, please grant me peace of mind and calm my troubled heart. My soul is like a turbulent sea. I can't seem to find my balance so I stumble and worry constantly. Give me the strength and clarity of mind to find my purpose and walk the path you've laid out for me. I trust your Love God, and know that you will heal this stress. Just as the sun rises each day against the dark of night. Please bring me clarity with the light of God.

I pledge allegiance to the flag of the United States of America and to the republic for which it stands, one nation, under God, indivisible with liberty and justice for all. God Bless America.
