

# ACADEMY OF THE CANYONS MIDDLE COLLEGE HIGH SCHOOL

## Local Control Accountability Plan (LCAP) Goals

**Goal I: Academy of the Canyons will create a structured system of intervention, supported by data and teacher feedback, in an effort to identify and support struggling students at both the high school and college levels.**

**Priority areas addressed by this goal:**

- Conditions of learning: Basic Services, Implementation of State Standards
- Pupil Outcomes: Student Achievement, Other Student Outcomes
- Engagement: Student Engagement, School Climate

**Goal II: Academy of the Canyons will continue to support all students in order to be prepared for college and/or career, as measured by successful completion of college courses within the selected major, completion of courses supported by common core curriculum, and participation in Career Technical Education (CTE) opportunities.**

**Priority areas addressed by this goal:**

- Pupil Outcomes: Student Achievement, Other Student Outcomes
- Engagement: Student Engagement, School Climate

**Goal III: Academy of the Canyons will facilitate positive lines of communication and collaboration with school site stakeholders including: parents/families, college faculty and administrators, and community business partners.**

**Priority areas addressed by this goal:**

- Pupil Outcomes: Student Achievement, Other Student Outcomes
- Engagement: Student Engagement, School Climate
