School Description

Moreno Elementary School helped lay the foundation of learning in our community over one hundred years ago. We take pride in our continued tradition of building educational success for all children. We are proud of the splendor of our current campus surroundings with majestic trees flourishing. Our students thrive as well in a learning environment that is safe, rigorous, relevant, and responsible.

Moreno's Professional Learning Community focus has helped cut the Adequate Yearly Progress (AYP) learning gap in half in just three years. We're excited to be the top performing Academic Performance Index (API) Title I school in our District, and the second highest overall. That's why, as the Moreno Mustangs, we say we have "Horsepower to Learn!" Our grade level teams meet weekly to collaborate and clarify what students are expected to learn, identify those not learning, and find ways to help them learn, as well as challenge students already proficient. We affirm and celebrate our diverse cultural heritage while reinforcing our common bonds with an emphasis on patriotism and respect. As a Character Counts coalition member, our school promotes strong student character for a safer place to learn, as evidenced in Moreno Elementary having the lowest number of suspension days of any school in our District during the past two years.

Over the years, our performing arts programs have performed in front of thousands in the community, in addition to our School Board and City Council. Moreno's Black History Month performances have packed the house for the past ten years running. Our newest performers, integrated with our PE program, are the Moreno Drill Corps, who have presented the colors during Veterans Day and Memorial Day all-school ceremonies, as well as participated in community events such as grand openings, high school events, and city parades.

We're happy to have many valued volunteers helping daily on campus assisting in areas such as music instruction, parent group meetings, weekly marquis updates, and integrated technology. Informative, interactive, and consistent communication between school and home is important to our school improvement effort. We've made the most of communicating with parents of our students with disabilities by enabling our teachers to build a highly touted Basic Skills learning program.

From having our District's Teacher of the Year, Principal of the Year, and recognized as an Honorable Mention California Distinguished School with an API Similar Schools Rank of 10 out of 10, Moreno Elementary School will continue to shine as an exemplary Professional Learning Community model for the next hundred years of student success.

Our Mission (Why Do We Exist?)

At Moreno Elementary, our Mission is to be a Professional Learning Community where we:

- Meet the learning needs of all students
- Ensure a caring, safe, and supportive learning environment
- Maintain high academic and citizenship expectations
- Optimize student learning through assessment and accountability

Our Vision (What Do We Hope to Become?)

We, the learning community at Moreno Elementary School, embrace our diversity and commit to the tenets of a Professional Learning Community. We will provide a highly qualified staff who will collaborate utilizing effective and appropriate strategies, interventions, and assessments for optimal student learning. Educators—in partnership with staff, families and the community—will provide for the education, safety, and well being of all students.

Our Values (How Must We Behave?)

In order to advance Moreno's shared vision of an exemplary school, we will:

- Promote a safe and positive school climate by modeling the qualities and characteristics that we hope to instill in our students.
- Make full use of the instructional time allotted to us.
- Collaborate with one another and our students so that we can achieve our collective goals more effectively.
- Demonstrate our commitment to ongoing professional development and continuous improvement.
- Help all students achieve the intended outcomes of the curriculum by addressing their individual needs and learning styles.
- Use effective assessment methods to provide evidence of student achievement, to monitor the learning of individual students, to adjust instruction based on results, and to provide supportive and timely feedback, based on student strengths, for students to meet more standards and improve achievement.
- Involve parents in the education of their children by keeping them informed of student progress and offering suggestions for assisting their children.
- Provide an inviting classroom environment for students—an environment with clear expectations, consistent consequences, and specific, articulated, academic goals.

About the SARC

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- View this SARC online at the school and/or LEA Web sites.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school at (951) 571-4620.

2013-14 Student Enrollment by Grade Level

Grade Level	Number of Students
Kinder.	96
Gr. 1	94
Gr. 2	99
Gr. 3	94
Gr. 4	93
Gr. 5	101
Total	577

2013-14 Student Enrollment by Group

Group	Percent of Total Enrollment
Black or African American	19.9
American Indian or Alaska Native	0.2
Asian	3.6
Filipino	2.9
Hispanic or Latino	60.3
Native Hawaiian/Pacific Islander	0.2
White	9.9
Two or More Races	2.9
Socioeconomically Disadvantaged	83.2
English Learners	31.7
Students with Disabilities	16.5

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials

Moreno Elementary	12-13	13-14	14-15
Fully Credentialed	24	24	25
Without Full Credential	0	0	0
Teaching Outside Subject Area of Competence	0	0	0
Moreno Valley Unified School District	12-13	13-14	14-15
Fully Credentialed	♦	♦	
Without Full Credential	♦	♦	
Teaching Outside Subject Area of Competence	♦	♦	

Teacher Misassignments and Vacant Teacher Positions at this School

Moreno Elementary	12-13	13-14	14-15
Teachers of English Learners	0	0	0
Total Teacher Misassignments	0	0	0
Vacant Teacher Positions	0	0	0

* "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc. Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Core Academic Classes Taught by Highly Qualified Teachers

2013-14 Percent of Classes In Core Academic Subjects Core Academic Classes Taught by Highly Qualified Teachers

Location of Classes	Taught by Highly Qualified Teachers	Not Taught by Highly Qualified Teachers
This School	90.91	9.09
Districtwide		
All Schools	82.47	17.53
High-Poverty Schools	82.47	17.53
Low-Poverty Schools	0.00	0.00

* High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39 percent or less in the free and reduced price meals program.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2014-15)

The District provides all students with high-quality textbooks and instructional resources. Instructional materials are reviewed and approved by State committees for local adoption in grades K-8; high school materials are reviewed and approved locally. All core instructional materials are reviewed by District level committees of teachers and administrators and approved by the Board of Education prior to use within MVUSD schools. This process is aligned with the State Department of Education's seven-year review cycle. The State Board's adoption cycle is: • 2004-05: Health • 2005-06: History-Social Science • 2006-07: Science and Visual & Performing Arts • 2007-08: Mathematics • 2008-09: Reading-Language Arts The District normally adopts new material within twenty-four months of adoption by the State Board of Education. As a result of state budget shortfalls, Assembly Bill X42 (Chapter 2, Statutes of 2009-10 Fourth Extraordinary Session) signed on July 28, 2009, suspended the process and procedures for adopting instructional materials, until the 2013-14 school year and allowed districts to postpone. Each school has a library to supplement and enrich the school's instructional program. In accordance with Education Code Section 60422(a) and 60119, the Governing Board certified on 9/28/2010 that each pupil in the district, in kindergarten through grade twelve, has been provided with standards-aligned textbooks or basic instructional materials in each of the areas listed below (0% lack textbooks and/or instructional materials in any of the listed areas). The chart below outlines the textbooks adopted and used by Moreno Valley Unified School District.

Textbooks and Instructional Materials Year and month in which data were collected: 10/11/13

Core Curriculum Area	Textbooks and Instructional Materials/Year of Adoption
Reading/Language Arts The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0%	Read 180 Stage A, Scholastic (Adopted in 2005) Legacy of Literacy & Lectura, Houghton Mifflin (Adopted in 2003)
Mathematics The textbooks listed are from most recent adoption: No Percent of students lacking their own assigned textbook: 0%	Mathematics & Matematicas, Houghton Mifflin (Adopted in 2002) Grades K-2 enVision Math (Spanish and English), Pearson Scott Foresman (Adopted in 2009)
Science The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0%	California Science, MacMillan/McGraw-Hill (Adopted in 2008)
History-Social Science The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0%	California History-Social Science, Scott Foresman (Adopted in 2007)

School Facility Conditions and Planned Improvements (Most Recent Year)

General:

The District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the District uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the District office, or on the Internet at www.mvUSD.k12.ca.us. Listed below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment.

Age of School Building:

This school has 31 classrooms, 17 permanent classes, 14 portables, four trailers used as staff conference, ELD/speech, counselor and storage units a multipurpose room, a library, and an administration building. The main campus was built in 1966. The school opened in 1966.

Maintenance and Repair:

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and all emergency repairs are given the highest priority.

Cleaning Process and Schedule:

The District governing board has adopted cleaning standards for all schools in the District. A summary of these standards is available at the District's M & O office. The District Custodial Supervisor works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Improvement Projects:

Improvement projects recently completed at the school include front driveway and parking areas were sealed and restriped.

Deferred Maintenance Budget:

The District participates in the State School Deferred Maintenance Program, which provides State-matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. For the 2008-09 school year, the District has budgeted \$1,280,000 for the Deferred Maintenance Program. This represents 0.44% of the District's general fund budget.

School Facility Good Repair Status (Most Recent Year)

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress and its successor the Standardized Testing and Reporting Program);
- The Academic Performance Index; and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Results for All Students - Three-Year Comparison

Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)								
	School			District			State		
	11-12	12-13	13-14	11-12	12-13	13-14	11-12	12-13	13-14
Science	52	50	51	45	43	45	60	59	60

* Science (grades 5, 8, and 10) assessments include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA). Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

STAR Results for All Students - Three-Year Comparison

Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)								
	School			District			State		
	10-11	11-12	12-13	10-11	11-12	12-13	10-11	11-12	12-13
ELA	51	54	50	42	46	45	54	56	55
Math	64	59	60	38	39	39	49	50	50
HSS				35	35	37	48	49	49

* STAR Program was last administered in 2012-13. Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Academic Performance Index Ranks - Three-Year Comparison

API Rank	2010-11	2011-12	2012-13
Statewide	5	5	4
Similar Schools	7	7	7

* For 2014 and subsequent years, the statewide and similar schools ranks will no longer be produced.

Grade Level

Grade Level	2013-14 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
5	19.4	26.9	37.6

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

2013-14 CAASPP Results by Student Group

Group	Percent of Students Scoring at Proficient or Advanced
	Science (grades 5, 8, and 10)
All Students in the LEA	45
All Student at the School	51
Male	54
Female	46
Black or African American	35
American Indian or Alaska Native	
Asian	
Filipino	
Hispanic or Latino	53
Native Hawaiian/Pacific Islander	
White	
Two or More Races	
Socioeconomically Disadvantaged	51
English Learners	42
Students with Disabilities	71
Students Receiving Migrant Education Services	

* CAASPP includes science assessments (CSTs, CMA, and CAPA) in grades 5, 8, and 10. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

API Growth by Student Group – Three-Year Comparison

Group	Actual API Change		
	10-11	11-12	12-13
All Students at the School	-4	9	-12
Black or African American	-41	-12	-19
American Indian or Alaska Native			
Asian			
Filipino			
Hispanic or Latino	5	13	-7
Native Hawaiian/Pacific Islander			
White			
Two or More Races			
Socioeconomically Disadvantaged	-6	13	-14
English Learners	-3	28	-24
Students with Disabilities	-13	3	-52

* "N/D" means that no data were available to the CDE or LEA to report. "B" means the school did not have a valid API Base and there is no Growth or target information. "C" means the school had significant demographic changes and there is no Growth or target information.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement

Parents enrich the quality of our school climate and play an integral role in the academic success of all students in our school. Moreno Elementary has many opportunities for student families to get involved such as the Parent Teachers' Association (PTA). The PTA and parent volunteers support and promote the following: Red Ribbon Week, school spirit days, teacher and class support, assemblies, field trips, rewards and incentives, student competitions, disaster preparedness, attendance and academic awards/trophies, and more. Our PTA has been recognized as the outstanding unit in MVUSD. Community involvement is further evidenced by support from area businesses and civic organizations in academic programs, student recognition activities, and partnerships.

The School Site Council (SSC), Safety Committee, and English Language Advisory Committee (ELAC) also strengthen parent participation by providing forums for input on matters such as curriculum, budget, support programs, as well as special services and needs. Many school events such as Parent Computer classes, Patriotic, Cinco de Mayo and Black History student performances, Saturday Family Fun Festivals, and thematic Family Nights also give parents the opportunity to participate in their child's education. There is also a monthly "Cafe con el Director" where parents can informally meet and speak with the principal, as well as get valuable information from guest speakers regarding our District and community services.

For more information on how to become involved, contact Angela Willis at (951) 571- 4620.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The comprehensive School Safety Plan includes, but is not necessarily limited to, assessing the current status of school crime committed on school campuses and at school-related functions, identifying appropriate strategies and programs that will provide or maintain a high level of school safety, and addressing procedures for complying with existing laws related to school safety.

Fire drills are held at least twice a year at the secondary schools and once a month at the elementary schools. Disaster and earthquake drills are conducted as needed. The School Safety Plan also includes the MVUSD discipline policy, which describes the consequences for student misconduct (such as detention, Saturday School, suspension, and expulsion).

The School Safety Plan was last reviewed, updated, and discussed with the school faculty on October 14, 2014.

Suspensions and Expulsions

School	11-12	12-13	13-14
Suspensions Rate	1.1	1.5	1.8
Expulsions Rate	0.0	0.0	0.2
District	11-12	12-13	13-14
Suspensions Rate	10.0	8.8	8.6
Expulsions Rate	0.0	0.1	0.1
State	11-12	12-13	13-14
Suspensions Rate	5.7	5.1	4.4
Expulsions Rate	0.1	0.1	0.1

* The rate of suspensions and expulsions is calculated by dividing the total number of incidents by the total enrollment x 100.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

2013-14 Adequate Yearly Progress Overall and by Criteria		
AYP Criteria	School	District
Made AYP Overall		
Met Participation Rate: English-Language Arts		
Met Participation Rate: Mathematics		
Met Percent Proficient: English-Language Arts		
Met Percent Proficient: Mathematics		
Met API Criteria

Types of Services Funded at Moreno Elementary

The average daily attendance (ADA) dollars provide services budgeted from the general fund including regular classroom instruction and support, special education, counseling, psychology, child welfare, and attendance and program assessment. Additional services funded as categorical programs include: Title I, and Title VI assistance to targeted populations, services for English Learners, Gifted and Talented Education (GATE), School Safety and Violence Prevention, and before- and after- school tutorial programs.

Professional Development provided for Teachers at Moreno Elementary

Professional development is designed to support the implementation of the school's plan by promoting curriculum improvement training programs focusing primarily on grade level academic content standards instructional strategies, assessment (data analysis and content training), review processes, individual school needs, and needs of special students. Such programs focus on analysis of teaching and student learning, accountability strategies, and integration of technology into the District's curricula. The Professional Development Specialists have also been trained in the Professional Learning Community model and are available for assistance with implementation on our campuses. Our schools also benefits from the various professional programs available to staff through District support. Some of these opportunities are:

- Teachers with preliminary credentials new to Moreno Valley are provided the opportunity to clear their credentials through the Induction Program coordinated by Professional Development and RCOE.
- Multilingual and Special Education trainings are all coordinated through Professional Development. CPR and Instructional Assistant trainings are also coordinated through Professional Development
- Participants may register electronically for professional development offerings.
- Local colleges and universities offer a wide variety of professional development coursework.

Teachers are compensated for attending professional development during their non-contract time. Substitutes are provided through various funding sources for trainings taking place during the school day. Professional Development works collaboratively with teacher-teams to develop Scope and Sequence manuals for teaching the Common Core State Standards. The department also facilitates teams for the creation of the new Interim Assessments. The Professional Development department is moving away from the traditional 'workshop' method of providing teacher training and is moving towards a coaching model where our twelve specialists spend a day at each school site collaborating with the staff and administration to analyze data and develop plans for increasing student achievement. Each specialist has had in-depth training on implementing the Common Core State Standards and with school staffs to implement the changes using a transformational model. Professional Development also plans and hosts the Leadership Academy for developing teacher leaders.
