

Student Grade Level Supply Lists – 2017-2018

If you purchased school supplies through the *School Supply Program* for your child, you do not need to do anything. These lists are for students who did not pre-purchase school supplies. If you are new to Soleado, you can purchase your school supplies for the entire year at Registration Day or through Member Planet. **The cost is \$65 and you don't need to buy any school supplies for your child.**

Please note: the donated supply money covers student and classroom supplies for the whole year.
