

St. Francis of Assisi
CATHOLIC SCHOOL

2018-2019 SFA SCRIP FUNDRAISING

Scrip is a fundraising program at St. Francis of Assisi Catholic School available to each family. The \$250 scrip participation fee can be paid in full at registration or added to your FACTS payment plan. Rebates earned through scrip will be applied as a credit to the participation fee through your FACTS account. 50% of earned rebates beyond the \$250 fee will be returned to you in the form of **tuition balance reductions!** It's a perfect way to reduce your tuition at no cost to you!

Credits to your account are for Shop With Scrip purchases made from April 1, 2018 through March 31, 2019, and eScrip and Benefit purchases made from January 1, 2018 through December 31, 2018. Credits for Shop With Scrip will be returned in October and May. Credits for eScrip and Benefit will be returned in May.

If you have any questions, please contact Michelle Molendyk at scrip@sfayl.org

There are three different scrip providers:

(checking account or credit card)

Contributions earned January 1 - December 31, 2018 will be credited in the 2018/2019 school year.

Benefit is a mobile app that allows you to purchase electronic gift cards and instantly redeem directly from your phone as a method of payment. This can be done at home while shopping online or in-store in the checkout lane. Every purchase results in a percentage of the transaction being contributed to the school. You purchase what you want, when you want, and are delivered a barcode or card number for instant redemption. The app will then help you track your card balances. Benefit allows you to tie a checking account or a credit card to the app to make purchases. When you pay with your checking account, the rebate is slightly higher than when you pay with a credit card or debit card. Benefit pays roughly 3% for card transactions, so the rebate we are able to pass along is lower. Also, there is a \$0.20 convenience fee subtracted from your rebate for each transaction. To join the program, download the app and choose our school to receive your rebates. Your payment methods with the Benefit mobile app will need to be verified. You will verify the account directly with Benefit.

(debit or credit card)

Contributions earned January 1 - December 31, 2018 will be credited in the 2018/2019 school year.

eScrip Online Mall – You can earn up to 10% when you shop using the eScrip Online Mall. When you access your favorite online retailers through eScrip a portion of your purchases will be returned to our school.

eScrip Dining Rewards – You can earn up to 5% for our school just by dining out. You are automatically enrolled when you register your debit and credit cards at www.escrip.com. You will earn 2.5% from your bill when you dine out and an additional 2.5% when you complete a dining survey.

(checking account only)

Contributions earned April 1, 2018 – March 31, 2019 will be credited in the 2018/2019 school year.

Go to www.shopwithscrip.com and sign up for your free account. You will need to contact the school Business Office to obtain the school's enrollment code. All orders need to be paid using PrestoPay™. Also, there is a \$0.15 convenience fee added to your total for each transaction. The website does give you a pay by check option. However, checks are not a valid form of payment per the Diocese of Orange. Orders placed with a check payment will be cancelled and you will be contacted via the email associated with your Shop With Scrip account.

PrestoPay™ account -- PrestoPay™ is a safe and reliable EFT system that you will be using to pay for your gift cards. Click on the PrestoPay™ link on your Dashboard, enter your bank information, within 2-3 days two small deposits will be made to your account, record the amounts when you see them, sign into your account and record them in your PrestoPay™ registration and choose a PIN number, you will receive an approval code, email that code to the coordinator at scrip@sfayl.org and once approved you are able to place orders.

For plastic gift cards – orders placed with Shop With Scrip by Saturday will be ready for pick up or backpack delivery on the following Wednesday. The schedule around holidays and summer could be changed and will be posted in the school newsletter ahead of time.

For electronic gift cards -- ScripNow!™ is the quickest way to purchase scrip. You can order for yourself or send an eGift in seconds for various retailers.

Reloadable gift cards – There are many retailers that offer a reloadable gift card. The initial gift card needs to be purchased through Shop With Scrip. Reload orders are available immediately using PrestoPay™. Please refer to the Additional Reload Information for the specific retailer. Also, some scrip cards may become deactive if the balance is left at \$0.00 for an extended period of time.

Mobile Website -- MyScripWallet is ShopWithScrip's mobile website. Type www.MyScripWallet.com in the browser on your mobile device, login and you are ready to shop. You can order most ScripNow eCards and reload physical cards from the mobile site and then redeem them right off the screen of your mobile device.

Special orders – For special orders or corporate orders please contact the Scrip Coordinator. The School Business Manager must preapprove request for special orders.

Delivery of plastic gift cards

You can choose to have your order delivered via Backpack Delivery or delivered to the school office for pick up. If you choose to receive scrip by Backpack Delivery, you assume all responsibility once the Scrip Envelope containing retail certificates is delivered to your child. By choosing Backpack Delivery, you are aware of possible consequences, that scrip certificates have a cash equivalency, and if lost or stolen, cannot be replaced, traced, or refunded. You have considered the age and maturity of your child, how he/she gets home from school, and potential situations where your Scrip Envelope may be unattended (after school programs, sporting events, etc.) You will not hold St. Francis of Assisi School or any of its volunteers responsible for lost, misplaced, or stolen certificates.

Details of scrip participation program

The \$250 scrip participation fee can be paid in full at registration or added to your FACTS payment plan. Scrip profits earned will be credited back to your FACTS account. 50% of the profit over the \$250 fee amount will be returned to the family in the form of a FACTS credit towards tuition costs. If the credit earned is more than the remaining balance on your FACTS account, any amount over the FACTS account balance will be issued by check. Credits to your account are for Shop With Scrip purchases made between April 1, 2018 and March 31, 2019, and eScrip and Benefit purchases made from January 1, 2018 through December 31, 2018. Credits for Shop With Scrip will be returned in October and May. October credits of less than \$25 will not be posted to your account and will roll over for the May credit. Credits for eScrip and Benefit will be returned in May. End of year credits of less than \$10 will not be issued and will be considered a donation to the school. You may request a receipt for the donation.

If you or any one ordering on your behalf has a Presto Pay payment returned or rejected for any reason you will be responsible for the face value of the order and any fees charged to the school by GLSC. Your account will be inactivated until the fees have been paid.

Any failed reload transaction will be replaced with physical cards from the same retailer in the same amount as the failed order after the school has been notified that they have received credit for the failure. The replacement order will be placed with the next weekly order and could take 7-14 days.
