

**PERMISSION TO PUBLISH ON THE INTERNET
2018/2019**

Through out the school year we will take pictures of your child doing various activities. These pictures will be posted to a photo viewing website. The website is for parents of preschoolers at St. Louis Preschool. There will never be names attached to any of the photos. The photo viewing site link will not be accessible through the St. Louis School website.

From time to time we participate in activities over at St. Louis School such as time with our buddies or an outside performance such as MadCap Puppets. At these events other teachers may take pictures for their school website or the yearbook. No names will be attached to these photos.
