

January Principal's Message

January 4, 2017

Dear Parents,

Happy New Year!! I hope everyone had a wonderful winter break! It's great to have the students back to school rested and ready to learn. I've been around to many classrooms and they are setting great learning goals! I love it! Please ask them about it. We have a busy month ahead. The students will be continuing with the DIBELS reading benchmarks, math benchmarks for grades 3-6. The end of the second term is already upon us on January 11. The next parent/student/teacher conferences will be at midterm of the third term on February 15 and 16.

The following are the upcoming events for January:
