Families must update their emergency information and complete acknowledgement forms via AERIES prior to students receiving schedules. No exceptions.

Families are no longer required to print these forms. Visit <https://albanyusd.asp.aeries.net/student/LoginParent.aspx?page=default.aspx> for more information.

If students aren't able to attend orientation, they may send a letter with another student/family that gives that family permission to pick up their schedule. Otherwise, students must pick up schedules before the start of first period on the first day of school.
