

+ SGT #4 Data Driven Decision Making

Establish a culture of data-driven decision making (DDDM) through access to an array of reliable data while maintaining fidelity, integrity, and compliance at all levels of school operations.

Objectives In Progress:

MAP Roll Out:

- EOY testing windows set (3-11)
- In process of working with TEA on possibility of replacing SAT 10 with MAP

SIS Review:

- Collaborating with CSD Riverside to review PS customizations
- Goal - April 30th recommendation

Policies and Procedures:

- Collecting Behavior & Academic Needs
- **POSSIBLE** Merger with MTSS SGT #2: Behavior and Academic Data Collection and Use

Completed:

- MAP BOY testing complete 3rd – 11th, MOY 3rd – 5th
- MAP Reports Training for administrators 1/12/17
- Met with TEA regarding revision of MOU and MAP
- Viewed Presentations from PowerSchool, TxEIS, Skyward
