We do not pay for a service or supply unless it is Medically Necessary and listed in the Description of Benefits below. Applicable benefits mandated by the state of residence will be included in the covered expenses. ### Definitions

An **Accident** is defined as a sudden, unexpected and unintended incident. **Covered Accident** means an Accident that results in Injury or loss covered by this Policy. An **Injury** is defined as Accidental bodily harm sustained by the Covered Person that results directly from an Accident (independently of all other causes) and occurs while coverage under the Policy is in force. **Medically Necessary** is defined as the services or supplies provided by a Hospital, Physician, or other provider that are required to identify or treat an Injury or Sickness and which, as determined by the Company, are: (1) consistent with the symptoms or diagnosis and Treatment of the Injury or Sickness; (2) appropriate with regard to standards of good medical practice; (3) not solely for the convenience of the Insured Person; (4) the most appropriate supply or level of service which can be safely provided. When applied to the care of an Inpatient, it further means that the Insured Person's medical symptoms or condition requires that the services cannot be safely provided as an Outpatient. **Sickness** is defined as illness or disease contracted by and causing loss to the Insured Person whose Sickness is the basis of claim. Any complications or any condition arising out of a Sickness for which the Insured Person is being treated or has received Treatment will be considered as part of the original Sickness. **School Activities** means any activity that is sponsored and under the direct, immediate supervision of the School that: (a) the School requires the Insured Person to attend; or (b) is under the sole control and supervision of School authorities. It does not include an activity related to athletics or cheerleading that is under joint sponsorship or supervision arrangement with any non-School group.

### Non-Duplication of Benefits (Excess Provision):

In order to keep premiums as affordable as possible, these plans pay benefits on a non-duplicating basis. This means, if a person is covered by one or more of these plans and by any other valid insurance or health agreement, any amount payable or provided by the other coverages will be subtracted from the covered expenses and we will pay benefits based on the remaining amount.

**IMPORTANT NOTICE:** This Plan provides short-term limited duration sickness benefits. It does not constitute comprehensive health insurance coverage (often referred to as "major medical coverage") and does not satisfy a person's individual obligation to secure the requirement of minimum essential coverage under the Affordable Care Act (ACA). For more information about the ACA, please refer to [www.HealthCare.gov](http://www.HealthCare.gov).
