- a. 7th & 8th Graders: May 1st - May 5th
- b. 6th Graders May May 8th - May 12th
- c. Copy of schedule available for parents today
- d. Very important that students are here and on time during the testing weeks.

C. Academic Clinics

- a. Last day for clinics is May 12th
- b. Feedback about its effectiveness
Seems helpful, especially when teachers offer an incentive (improved grade, extra credit, etc). Much better than homework club because the help is subject specific and it provides a space that is more on task and less hectic. Some students might have become too dependent on clinic... "I'll just make it up in clinic...I didn't study, I'll rebound in clinic." Teachers will discuss how to deal with this.
