December Message from the Superintendent

It's hard to believe another year is coming to an end. As we say goodbye to 2015, I would like to thank you for supporting our students and schools. It never ceases to amaze me how much our parents and community give to our students and those in need. It is an honor to serve as the Superintendent of Medical Lake School District.

I'd like to thank parents, students, staff and community organizations for their support for "Late Start Fridays". It has been, and will continue to be an essential tool as we begin the second half of the school year. I would also like to thank Deputy Pendell for his work as School Resource Officer. He is building great relationships with our students and his presence has been a tremendous positive force in our schools. Deserving thanks as well, is our Military Family Advocate, Sarah Fillman who created a website geared towards the military families coming to our area. www.mlsdfairchild.org.

It is great to see the schools and community coming together for the students. Finally, I would like to wish everyone a safe and happy holiday season with family and friends.

With great appreciation,
Timothy D. Ames

Superintendent
