

JUNE 25-28

2018 BULLPUP SUMMER ART CAMPS

Let's kick off the summer with some creativity!

Your student will enjoy learning with Gonzaga Preparatory School's own art teacher, Kate Stillar. There will be two camps during the week of June 25-28th. In Ceramics Camp, students will learn skills to make vessels such as cups, mugs, bowls, and ceramic tile art. While in Watercolor Camp, students will explore a variety of watercolor techniques and special effects culminating in a final composition worthy of the fridge or a frame!

Questions? Contact Kate Stillar →
