

RESOURCES

HOW YOUR MEMBERSHIP HELPS

Your membership dues offer PFLAG Santa Clarita the opportunity to provide booklets and other information to persons seeking answers to the difficult questions that may arise during their and their family members' coming out process. Dues also enable us to provide valuable information and packets to counselors and other school personnel so they are better able to help the LGBTQ students who come into their offices seeking guidance. They also help to defray monthly meeting costs, the maintenance of our hotline and P.O. Box, and enable us to keep our community informed about issues through a variety of means, such as mailers, our newsletter, outreach programs and the like.

Additionally, a percentage of your membership dues provides you membership in PFLAG National. In Washington, D.C. PFLAG National works on hate crimes legislation and all issues dealing with the LGBTQ community.

FRIENDS OF PROJECT 10

www.friendsofproject10.org

Provides support to LBGTQ youth and their allies, empowering them to become proactive in achieving their civil rights.

PFLAG SCV

Who are we?

PFLAG is the United States' largest organization for parents, families, friends, and allies united with people who are lesbian, gay, bisexual, transgender or questioning their sexual orientation.

Our Santa Clarita chapter was founded in 1988 as a response to a lack of information and support for our LGBTQ community and their families.

PFLAG now has more than 500 chapters in communities throughout the country with more than 200,000 members and supporters.

What is PFLAG'S vision?

PFLAG envisions a world where diversity is celebrated and all people are respected, valued, and affirmed, inclusive of their sexual orientation, gender identity and gender expression.

What is PFLAG's mission?

By meeting people where they are and collaborating with others of like mind, PFLAG strives to realize its vision by providing

SUPPORT for parents, family members, allies and our LGBTQ loved ones

EDUCATION for ourselves and others about the unique issues and challenges facing people who are LGBTQ

AND

ADVOCACY in our communities to change attitudes and create policies and laws that achieve full equality for our LGBTQ friends and loved ones.
