

SCHOOL LAND TRUST – FINAL REPORT SUMMARY

Summit Academy

Action Plan Steps

Action Plan Steps for School Land Trust Plan 2016-17 COMPLETED

(1) Teachers attended the UCIRA reading conference for reading achievement and reading endorsement courses hosted by Summit Academy. (2) Paraprofessionals were employed for both language arts and math instructional times in grades K-6 and extra math support in grades 7 & 8. (3) A literacy facilitator and interventionist were employed to target struggling students and set-up plans for them. (4) New math textbooks were purchased for 5th grade, a writing program for K-6 and additional math textbooks. (5) We used a digital teaching and learning grant to purchase technology for every grade. (6) Students were progress- monitored throughout the year using DIBELS, SAGE Benchmark, Lexia, and additional phonics, math and reading assessments.
