

R 2460.1 SPECIAL EDUCATION - LOCATION, IDENTIFICATION, AND REFERRAL

All students with disabilities, who are in need of special education and related services, including students with disabilities attending nonpublic schools, and highly mobile students such as migrant and homeless students regardless of the severity of their disabilities, are located, identified and evaluated according to N.J.A.C. 6A:14-3.3.

A. Procedures for Locating Students With Disabilities

1. The Assistant Superintendent/Student Services will coordinate the child find activities to locate, identify and evaluate all children, ages three through twenty-one, who reside within the Howell School District and who may have a disability.
2. By September of each school year, the Assistant Superintendent/Student Services or his/her designee, in consultation with the building principals, will conduct child find activities, in the native language of the population, as appropriate, including but not limited to:
 - a. Development of child find materials for distribution.
 - b. Broadcasting of child find information on the school district cable television station. (if applicable).
 - c. Distribution of flyers to the parents of all students enrolled in the school district.
 - d. Mailing of child find material to nonpublic schools in the area.
 - e. District will consult with principal of non-public school before mailing of child find material to nonpublic schools in the area.
 - f. Mailing of child find material to local pediatricians, hospitals and clergy.
 - g. Public service announcements on the local foreign language radio stations and cable television stations.
 - h. Public service announcements in local newspapers.

HOWELL TOWNSHIP BOARD OF EDUCATION

PROGRAM

R 2460.1/page 2 of 8

Special Education - Identification, Location and Referral

- i. Distribution of child find materials in supermarkets, convenience stores, shelters for the homeless, public and private social service agency locations and nursery school providers.
- j. Mailing information letters to local physicians, hospitals, nursery schools, non-public schools, health departments, community centers, rescue squads and churches.
- k. A guide to preschool services for potentially disabled children age's three to five is made available to: newspapers, website, doctors and preschools.
- l. Posting of state developed child find materials in doctor's office, preschools, newspapers and website for potentially disabled students and/or early intervention program.
- m. Training of home school advocate/school community liaisons or others to assist in the identification of potentially disabled students.
- n. Listings of Early Intervention Program (EIP), local nursery schools and pediatricians are maintained. The district's preschool coordinator (or other) maintains contact with EIP coordinator and nursery school director.
- o. Information is distributed through The Parent Advisory Committee.
- p. School handbooks distributed to parents contain information describing special education services.
- q. Distribution of information to the school district's ESL/Bilingual teachers describing child find activities.
- r. Students entering kindergarten are screened annually to identify students who may have a disability.
- s. Intervention and Referral Services Committee (I&RS) have been established in all school buildings.
- t. Child find activities are conducted in the native language of the population, as appropriate.

3. No later than December 20th of each school year, the Assistant Superintendent/Student Services will contact by mail the principals of the nonpublic school children for suggestions on ways to conduct child find activities for students attending nonpublic schools

The child find activities for nonpublic students shall be comparable to the child find activities for public school students.

- Child find activities for nonpublic school children provide for consultation with appropriate representatives of the nonpublic school and parents on how to carry out these activities.
- Based on suggestions from the representatives of the nonpublic schools and parent(s), the Assistant Superintendent/Student Services will modify the child find activities for the next school year, as appropriate.

B. Procedures for Intervention in the General Education Program

A staff member or agency shall provide in writing a request (* Sample forms are located in the Resource Manual for Intervention and Referral Services published by the NJDOE.) for intervention services for students ages three (3) to twenty one (21) to the building principal or designee. The request shall contain the following:

1. Reason for request (Including parental or adult student request);
2. Descriptive behavior of student performance; and
3. Indication of the prior interventions.

Teachers and other school professionals, as appropriate, will be in-serviced annually by the building principal or designee regarding the procedures for initiating and providing intervention in the general education program. The parent(s) will be informed of the procedures to initiate interventions in the general education program.

The Superintendent or designee will oversee the district's implementation/evaluation of the interventions identified.

An Intervention and Referral Services Committee (I&RS) will be in place in each school building for students ages three (3) – twenty-one (21) pursuant to N.J.A.C. 6A:16-8.1 et seq. and Policy and Regulation 2417.

The building principal or designee will be responsible for the following:

1. The implementation and effectiveness of building level I&RS Committee;
2. Will identify the roles and responsibilities of building staff who participate in planning and providing intervention services; and
3. Review, assess and document the effectiveness of the services provided in achieving the outcome identified in the intervention plan.
4. The I&RS Committee shall:
 - a. Plan and provide appropriate intervention services;
 - b. Actively involve the parents in the development and implementation of intervention plans;
 - c. Develop an action plan for an identified student which specifies specific tasks, resources, persons responsible, completion dates, date for review;
 - d. Coordinate the services of community based social and health provider agencies;
 - e. Process and complete the documentation forms;
 - f. Review and assess the effectiveness of the services provided in achieving the outcomes identified in the intervention and referral plan; and
 - g. Ensure the type, frequency, duration, and effectiveness of the interventions are documented.
5. The building principal will ensure that:
 - a. The I&RS Committee receives in-service training by the building principal or designee by October of each year;

- b. Staff handbooks are updated by September of each year and include information regarding intervention procedures;
- c. New instructional staff attend the district's orientation program commencing in the month of August which includes information on the I&RS Committee;
- d. School calendars are distributed in the month of September and provide information on intervention services; and
- e. Annually, parents, teachers and other school professionals are informed of the procedures to initiate intervention in the general education program in writing via the parent/student hand books, which include information on intervention services.

C. Procedures for Referral

Referral procedures for children ages three (3) – twenty-one (21) are included in professional staff handbooks and referral forms are available in the Principal's office, the Child Study Team (CST) office, and the Office of the Assistant Superintendent/Student Services.

1. Parental Notification of Referral Procedures

Referral procedures shall be included in the district calendar, the parent handbook, newsletter, special education brochure or pamphlet or other school district publication, which shall be distributed to parent(s). These procedures and publications shall be updated annually and distributed to the parent(s) and appropriate social service and welfare agencies not later than October 1 of each year.

2. Parent Initiated Referral

When a parent makes a written request for an evaluation to determine eligibility for services:

- a. The written request shall be received and dated by the district recipient;
- b. The written request shall be immediately forwarded to the office of special services;

Special Education - Identification, Location and Referral

- c. A file will be initiated to include a timeline for processing the referral including the date that initiates the twenty-day timeline for conducting the referral/identification meeting (Any forms used to open a case are to be attached the file);
 - d. Upon receipt of the referral a request for a summary and review of health and medical information regarding the student shall be forwarded to the school nurse who will transmit the summary to the CST;
 - e. The Child Study Team will convene a referral/identification meeting within twenty calendar days (excluding school holidays, but not summer vacation) of the date the request was received by the district;
 - f. A "Notice of a Referral/Identification Meeting" will be sent to the parent(s);
 - g. The notice will contain "Parental Rights in Special Education" (PRISE) Booklet; and
 - h. The referral/identification meeting will be attended by the parent, CST and regular education teacher.
3. School Initiated Referral

Referral of a student to the CST may be made by administrative, instructional and other professional staff to determine eligibility for special services when:

- a. It is determined through the I&RS Committee that interventions in the general education program have not been effective in alleviating the student's educational difficulties.
- b. It can be documented that the nature of the student's educational problem(s) is such that an evaluation to determined eligibility for services is warranted without delay.
- c. The Child Study Team, through inservice training, shall ensure that students are referred who may have a disability, but are advancing from grade to grade.

- (1) A student with a disability, who is advancing from grade to grade with the support of specially designed services, may continue to be eligible when:
 - (a) As part of the re-evaluation, the Individualized Education Plan (IEP) team determines that the student continues to require specially designed services to progress in the general education curriculum; and
 - (b) The use of functional assessment information supports the IEP team's determination.

The following procedure will be followed for a school initiated referral:

- a. A referral to the CST will be completed by the referring staff member.
- b. I&RS documentation including, but not limited to: teacher reports, grades and other relevant data shall be forwarded with the referral to the CST along with any other relevant data;
- c. I&RS documentation does not need to be forwarded for direct referral when the nature of the student's problem is such that the evaluation is warranted without delay;
- d. The referral should be dated upon receipt by the CST;
- e. A file will be initiated to include a timeline for processing the referral including the date that initiates the twenty-day timeline for conducting the referral/identification meeting;
- f. Upon receipt of the referral, a request for a summary and review of health and medical information regarding the student shall be forwarded to the school nurse who will transmit the summary to the CST;
- g. The Child Study Team will convene a referral/identification meeting within twenty calendar days (excluding school holidays, but not summer vacation) of the date recorded on the referral;
- h. A "Notice of a Referral/Identification Meeting" will be sent to the parents;

Special Education - Identification, Location and Referral

- i. The notice shall contain "Parental Rights in Special Education" (PRISE); and
 - j. The referral/identification meeting will be attended by the parent(s), CST and regular education teacher.
4. Each evaluation of the student requires an assessment to determine appropriate post-secondary outcomes as part of transition services planning.
5. Each IEP Team member is required to certify in writing whether the IEP team report reflects his or her conclusions. In the event the IEP Team report does not reflect the IEP Team member's conclusion, the IEP Team member must submit a dissenting opinion in order to ensure the parent(s) is aware of dissenting opinions regarding the determination of eligibility for a specific learning disability.
6. The parent(s) must receive a copy of their child's evaluation report and any documentation leading to a determination of eligibility not less than ten calendar days prior to the eligibility conference in order to ensure the parent(s) has a reasonable amount of time to review documentation prior to an eligibility conference.
7. A student may be referred directly to the CST when warranted.

Adopted: 18 September 2013

Revised: 19 April 2017
