

# Academic Enrichment Center

Glacier Point Middle School

## ACADEMIC ENRICHMENT CENTER

“ We are what we repeatedly do. Excellence, then, is not an act but a habit”

In this program, students are given expectations, knowledge and hands-on ways to LEARN. but mostly, students are given a POSITIVE environment to SUCCEED.

1

IS

Accountable,  
motivated,  
responsible,  
organized.

2

DOES

Work hard, helpful,  
complete  
tasks, participates.

3

SAYS

“Please, Thank you, I  
need help, Excuse  
me”.

### Learn

We learn from our mistakes.

Create  
We are a team. We try our best.

### Achieve

We respect each other. We celebrate each other's success.

## AEC Vision and Goals

“Hold the vision, trust the process”

Glacier Point Middle School offers Academic Enrichment Center for all students. This academic program provides enrichment opportunities if they are falling behind with assignments and fill gaps.

The intent of this program is to provide tutorial services to students who are willing to stay after school, make necessary efforts and ask for assistance for completing assignments in order to improve their grades.

Glacier Point Middle School would like to give your child the opportunity to enhance their learning by enrolling them in AEC.

“Push harder than yesterday if you want a different tomorrow”

Your child will be scheduled to attend AEC until the next grading period. Based on their academic progress, your child will either exit the program after 6 weeks or continue receiving support until the student has met their individual goals.

### MEETING TIME AND PLACE:

This program is offered after school at Glacier Point Middle School from:

Monday-Wednesday-Friday: Release-4:00PM

Tuesday and Thursday: Math/ELA labs Release-4:00PM

A 4:00pm bus is provided for students who ride the bus home.
