KEY CLUB

WHAT WE DO

Key Club International is one of the oldest and largest service programs for high school students. It is a student-led organization whose goal is to encourage leadership through helping others. Key Club International is a part of the Kiwanis International family of service-leadership programs.

Key Club assists Kiwanis in carrying out its mission to serve the children of the world. High school student members of Key Club perform acts of service in their communities, such as cleaning up parks, collecting clothing and organizing food drives. They also learn leadership skills by running meetings, planning projects and holding elected leadership positions at the club, district and international levels.
