# **St. Bernard School**

## **3 and 4 Year Preschool Programs**

### **A Wonderful Introduction to Learning!**

#### **Goal of Our Programs**

To help parents with the development of their child spiritually, intellectually, physically, emotionally, and socially, with an understanding that every child is a unique individual in the eyes of God.

#### **Curriculum**

A "hands on" multisensory approach that is sequential and thematic. Our curriculum supports PA standards for early childhood education and prekindergarten. St. Bernard School is Middle States accredited.

#### **Learning Objectives:**

**Religion** – A faith-based program that introduces the children to our Catholic identity through prayer, family, Bible stories, songs, and the celebration of Mass.

**Language Arts** – A literacy based program that includes receptive and expressive language. Each week a letter of the alphabet is introduced, reinforced and evaluated.

**Mathematics** - A hands-on approach to exploring numbers, patterns, space/shape, measurement and problem solving.

**Science /Social Studies** – A theme based program touching upon seasons, weather, holidays, living things, senses, community and "Wonderful Me."

**Creative Arts** – Activities in Music, Art and Dramatic Play encourage creative expression and build confidence.

**Large/Gross Motor** - Organized activities such as sports and games and independent activities in our "Bike Room" foster coordination, muscle strength and growth.

**Circle Time** - Includes Prayer and Pledge of Allegiance, Calendar & Weather, Sharing (Show and Tell), Songs and Finger Plays, and Story Time.
