

How to Add Another Child on Powerschool Family Portal

1. Sign in to <https://family.ausd.us>

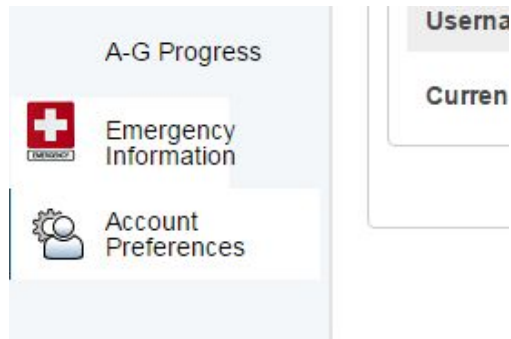

The screenshot shows the PowerSchool login page. At the top left is the PowerSchool logo. The main heading is "Student and Parent Sign In". Below this are two tabs: "Sign In" and "Create Account". A yellow callout box with a left-pointing arrow contains the text "← If you never created an account". Below the tabs, a red message reads "PARENTS: The way you sign in has changed." with links for "More Information", "FAQ", and "Contact Us: 626-943-3004". There are two input fields: "Username" and "Password". Below the password field is a link that says "Forgot Username or Password?". A dark blue "Sign In" button is located at the bottom right of the form area.

2. The student you are viewing will have their name (Ex. Bartholomew) highlighted at the top left tab.

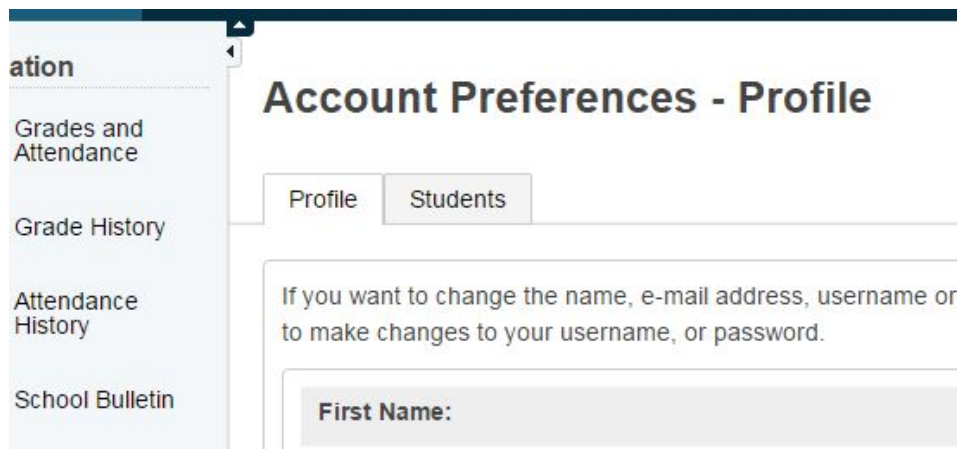

The screenshot shows the PowerSchool interface for a student named "BARTHOLOMEW". The name is displayed in a dark blue header bar. Below the header is a "Navigation" sidebar with three items: "Grades and Attendance" (with a calendar icon), "Grade History" (with a clock icon), and "Attendance History" (with a clock icon). The "Grades and Attendance" item is selected and highlighted. The main content area is titled "Grades and Att" and contains a "Grades and Attendance" section with a table below it.

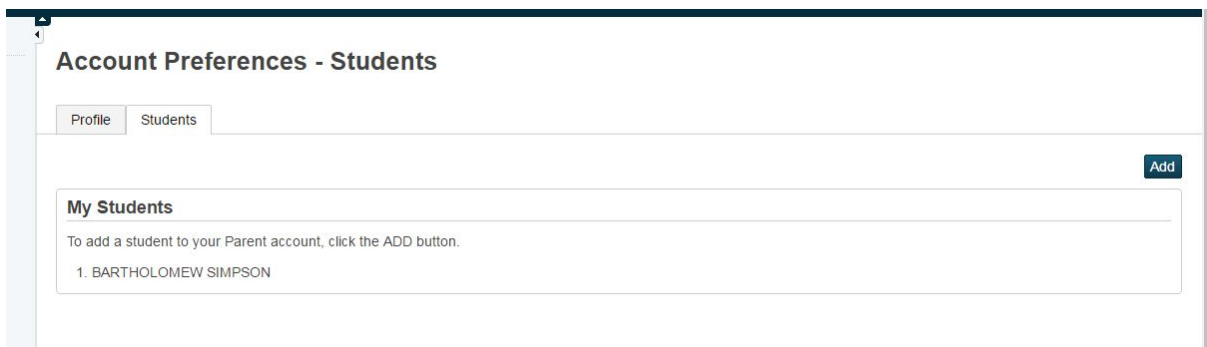

3. Click on “**Account Preferences**” on the bottom left.

4. Click on “**Students**” next to Profile.

5. On the right, click “**Add**”.

6. Input your child’s information here.
