

ATHLETIC WALK OF FAME

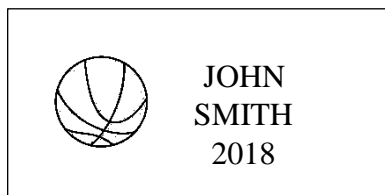

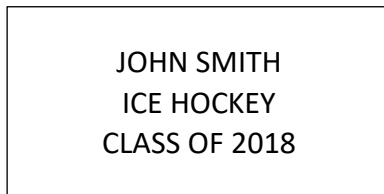

ST. JOSEPH REGIONAL HIGH SCHOOL

BUY A BRICK CAMPAIGN

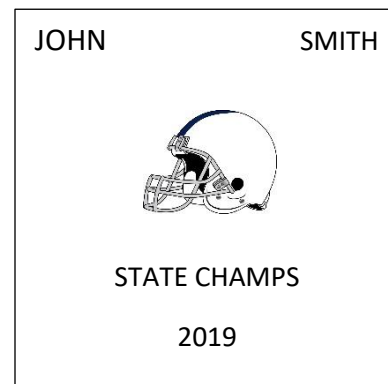

The St. Joseph Regional High School Community invites you to celebrate your lifelong connection to SJR by purchasing a personalized engraved 4"x8" brick that will be placed in the Athletic Walk of Fame walkway, located at the athletic field house. Add you name to the beautiful walkway and leave a personal remembrance of your experience at St. Joe's. Also offered are 8"x8" bricks that are used to create a patio area around the concession stand. This project establishes a lasting tribute to our students and alumni and is a tradition for others to follow. The funds from this project will go into the SJR Athletic Facilities Fund which supports all sports.

Purchase a brick with your athlete's name and graduating class, sport, or sports symbol to honor a son, father, husband, fellow student or graduate. Engraved bricks will be randomly placed in our professionally designed and landscaped walkway and patio. To purchase a brick, read the engraving instructions and complete the order form. Mail or send the form into school along with a check made out to St. Joseph Regional High School.
