These immunization requirements apply to children attending ALL Pennsylvania Schools. Contact your physician, school, or local health department for more information. Please also refer to the following websites:

www.cdc.gov/vaccines/recs/schedules/default.htm or www.immunizaepa.org

These records MUST INDICATE THE MONTH, DAY, AND YEAR the immunizations were administered and MUST BE SIGNED BY A PHYSICIAN or other health care professional.

If there is any medial reason why your child should not be immunized, please bring a signed certificate from your physician stating the reason. If you object to immunizations for religious reasons or have strong moral objections, the state requires that you sign a form at the school.
